## NEW YORK RED BULLS

# ABOUT US

The New York Red Bulls are one of 19 teams that comprise the top-flight professional soccer league in the United States – Major League Soccer. On the field, the team is led by New York-native and 2013 MLS Coach of the Year finalist Mike Petke, World Cup, European Championship and UEFA Champions League winner Thierry Henry and Australian World Cup star Tim Cahill. The Red Bulls won the MLS Supporters Shield – given to the team with most regular season points – for the first time in 2013.

In March 2010, the Red Bulls moved into their new home, Red Bull Arena, a 25,000-seat soccer-specific stadium in Harrison, NJ, known as the top venue of its kind in the country. New York has qualified for the MLS Cup playoffs for four straight seasons and 10 of the past 11 years. The New York Red Bulls are owned by Red Bull GmbH, the world's No. 1 energy drink maker. Red Bull GmbH purchased the MLS club in March 2006. For more information, log onto www.newyorkredbulls.com or call 1.877.RBSOCCER.

# RED BULL ARENA

Red Bull Arena is the benchmark in the North American soccer stadium landscape and sets the standard for other venues of its kind across the continent. The 25,000-seat state-of-the-art facility located in Harrison, New Jersey is the home of the New York Red Bulls of Major League Soccer (MLS) and opened in March 2010, when the Red Bulls defeated Brazilian side, Santos, 3-1. Since then, Red Bull Arena has hosted a number of top club and international squads including the U.S. Men's and Women's National Teams, Ecuador, Colombia, Czech Republic, Turkey, Manchester City (England) and Juventus (Italy). The arena is structured to create a distinct soccer atmosphere as fans in the front row are just 21 feet from the touchlines. Its dynamic roof is a curving structure that wraps the entire arena in an elegant metal shell to create an architectural statement of power and elegance.

Red Bull Arena's roof extends 120 feet from the last seat to just over the field's touchlines, with 60 feet of the roof being translucent to let in natural light. The stadium also has a unique, one of a kind media seating section with 100 seats located directly behind the player bench area in the lower bowl. Media members have access to the media workroom, photo room, press conference room, and team locker rooms.

# LAMAR HUNT U.S. OPEN CUP

Created in 1914, the Lamar Hunt U.S. Open Cup is the oldest soccer competition in the United States. The single-elimination tournament, which is similar to the prestigious English FA Cup, is open to all amateur and professional teams affiliated with the United States Soccer Federation (U.S.S.F).

The competition was re-named the Lamar Hunt U.S. Open Cup in 1999, in honor of the late Columbus Crew and FC Dallas owner-operator Lamar Hunt. New York began their participation in the Cup in 1997.

The U.S. Open Cup has taken the Red Bulls to play in various places such as Virginia, Tennessee, Louisiana, North Carolina and South Carolina.
