APH offers two unique, accessible calendars.

APH InSights Art Large Print/Braille Calendar

This beautiful full-color calendar features the artwork of blind and visually impaired artists, and is suitable for students or adults who have low vision or are blind, or anyone who enjoys unique artwork.

Months, days, holidays, and moon phases appear in both braille and large print. This calendar can be used at a desk or hung on a wall and is ring bound to allow pages to be folded over easily.

Note: A special version of this attractive calendar can be custom-printed with your organization's name, logo, address, website and phone number for fund-raising purposes! Contact APH for more details on custom calendars.

EZ Track Calendar

This calendar offers a systematic and organized way keeping track of appointments, holidays, and other events.

Each large print page holds four days, with enough room to write notes and appointments. The calendar comes with a three-ring binder.
