

Hundred Board

A decorative horizontal bar consisting of three thin, colored lines: red, teal, and orange.

Hundred Board

Now available in both Nemeth and UEB!

The Hundred Board can be used to teach basic math concepts including patterning, counting, ordering numbers, comparing numbers, addition and subtraction, and base ten number system.

Grid Board

The Grid Board has a raised-line, 10 x 10 inch grid, outlined in black. Manipulatives can be attached to the blank grid board.

Number Board

The Number Board also has a raised-line, 10 x 10 inch grid, outlined in black. The grid is preprinted with the numbers 1 through 100 in large print and in Nemeth or UEB. This board acts as a reference to check work placed on the Grid Board and can be used for concept demonstration.

Manipulatives

Manipulatives include the numbers 1 to 100 and 400 colored shapes (circles, squares, stars, and triangles).

Recommended ages: 5 to 10 years
