

# Math Drill Cards

**Elementary students who are blind and visually impaired can quickly and easily learn their math facts with these Math Drill Cards!**

These handy braille/large print cards reinforce math skills, and are available in both Nemeth and UEB code. Sold in five separate sets, the cards in the Number and Math Signs set feature a math sign or number sign (in braille and large print) on one side of the card, and braille on the opposite side. The Math Operations Cards include a math fact on one side of the card, and the fact with the answer featured on the opposite side.

**Note:** The Nemeth and UEB sets are sold separately. Some assembly required. These cards can also be used with the Card Chart Kit, 1-03550-00.
