

# Stay in the game! Protect yourself from COVID-19 this season.

Remember the winning formula against COVID-19:  
wearing a mask and watching your distance!

As sports return to action, it's important to mask up  
and distance in the following places:

COVID-19  
vaccines are safe and  
available for everyone  
12 years and older!

in the locker  
room

on the bus

and in  
the stands!
