Shadowdance™ Series

WARNINGS

- **Hot! Do not touch! This appliance will be hot during operation and will retain heat for a while after shutting off the appliance. Severe burns may result.**
- **Carefully supervise children in the same room as appliance.**
- **Improper installation, adjustment, alteration, service or maintenance can cause injury or property damage. Refer to this manual. For assistance or additional information consult a qualified installer, service agency or the gas supplier.**

- **Do not build a wood fire. Do not burn wood or other material in these appliances.**
- **Carefully review the instructions supplied with the decorative type unvented room heater for the minimum fire-place size requirement. Do not install the appliance in the fireplace, unless the fireplace meets the minimum dimensions required for the installations (see Page 3).**
- **This is an unvented gas log appliance. It uses air (oxygen) from the room in which it is installed. Provisions for adequate combustion and ventilation air must be provided. Refer to Combustion and Ventilation Air Section on Page 5.**
- **Important: Read and understand these instructions completely before installing your unvented room heaters.**
- **This appliance is only for use with the type of gas indicated on the rating plate. This appliance is not convertible for use with other gases. If the gas supply differs, DO NOT INSTALL the appliance. Contact your dealer to obtain the correct appliance.**
- **This appliance may be installed in an aftermarket, permanently located, manufactured (mobile) home, where not prohibited by local codes.**
- **Lennox® vent-free gas logs are designed for use as a supplemental heater. They are not intended for continuous use as a primary heat source.**

WARNING: If the information in this manual is not followed exactly, a fire or explosion may result causing property damage, personal injury or loss of life.

Do not store or use gasoline or other flammable vapors and liquids in the vicinity of this or any other appliance.

WHAT TO DO IF YOU SMELL GAS:

- **Do not light any appliance.**
- **Do not touch any electrical switch; do not use any phone in your building.**
- **Immediately call your gas supplier from a neighbor's phone. Follow your gas supplier's instructions.**
- **If your gas supplier cannot be reached, call the fire department.**

Installation and service must be performed by a qualified installer, service agency or the gas supplier.
