P/N 875,040M REV. N/C 01/2007

#### MODELS

*CST-38*

*CR-3835R*

*CPF-38*

*CR-3835L*

The information contained in this manual applies to all model fireplaces identified on this page. This information will help you obtain safe and dependable service from your fireplace system. Keep this document in a safe place for future reference.

Before you start your first fire, read this Care and Operations Manual carefully to be sure you understand your fireplace system completely. Failure to follow these suggestions could result in hazardous operation or fireplace malfunction, creating a serious potential for personal injury and/or property damage.

If you have any questions regarding the safe use or operation of your fireplace, contact your local distributor or your contractor/builder.

Most chimney systems will require onsite completion after placement of the manufactured home.
