Notes:

1. In this diagram and throughout this manual, 'left' and 'right' mean as you face the stove.
2. Use only Vermont Castings Glass Panel part number 30000774 for replacement.
3. Part numbers for cast iron parts in this diagram are for 'classic' (plain black) stoves. When ordering enamelled parts, be sure to specify color.
4. Hardware in this stove is in standard U.S. (inch) sizes. Most hardware items are available at local hardware stores.
