Wood-Burning Stoves Models Grandview™ GV230 and GV300

With Innovative Thermal Fin Technology (TFT™)

A French manual is available upon request. Order P/N 506223-28.

Ce manuel d'installation est disponible en français, simplement en faire la demande. Numéro de la pièce 506223-28.

This appliance must be properly installed and operated in order to prevent the possibility of a house fire. Please read this entire installation and operation manual before installing and using your wood stove. Failure to follow these instructions could result in property damage, bodily injury or even death.

Contact your local building or fire officials to obtain a permit and information on any installation requirements and inspection requirements in your area.

www.nficertified.org

We recommend that our woodburning hearth products be installed and serviced by professionals who are certified in the U.S. by the National Fireplace Institute® (NFI) as NFI Woodburning Specialists or who are certified in Canada by Wood Energy Technical Training (WETT).
