preparing to take control of the ancient Land of Temsus. In addition, a dark being, known as the Tarnished, has been awakening in the lands between. The Tarnished, the fearsome entity that destroyed all lands in the past, is making war against the humans to take back the magic of the Ray of Light. And people are dying in the battle. Players will rise in their class and guild, to become an Elden Lord and battle against the three evil forces and to keep the Land of Temsus.

The following is an introduction to a world filled with strong feelings, dangerous monsters, and unique adventure. We know that you have been waiting for this day, and we are prepared with a rich adventure!

Olive Ortiz, play writer, illustrator, developer, and composer is a self-taught web game developer at AAI in Japan. His most popular web games have sold more than twenty-five thousand copies. After a furious fight against the humans, he became an NPC lord, A Tarnished Lord.

In development since 2014, the first Elden Ring virtual reality game appeared on the Oculus rift SDK in 2016. The game was developed using Oculus Touch controllers, Unity VR SDK and Alden Ring 3rd game engine. While it has been continuously developed from the time it appeared, the project has suffered because of the lack of development and interest of the team. However, a new challenge has come as android and iOS version has been ported on the Google
