

To All Parents and Taxpayers:

America's Children Are Getting Indoctrination Not Education

Critical Race Theory

- Promotes government control NOT parental choice
- Views society ONLY through the lens of race
- Turns our children against America
- Categorizes individuals as victim or oppressor by race
- Divides us by teaching that America is a racist country
- Treats children as political pawns by turning them into activists
- Uses OUR TAX DOLLARS to achieve the above

Our Goals

- Make academic excellence the primary purpose of education
- Put moral and social guidance back into the hands of parents
- Eliminate ALL anti American curriculum that teaches race preference
- Build parent and community groups
- Elect school board members who won't pander to teachers unions
- Prohibit ANY DIVISIVE EDUCATION from Ohio schools and universities

Ways To Help

- Start a parent movement in your area
- Host an event with local parents and community members
- Support school board candidate races that stop Divisive teaching in schools
- Attend school board meetings and report findings
- Run for school board or help recruit candidates who support our Constitution
- Call or email elected officials
- Submit Public Record Requests to school districts for curriculum
- Write letters to editors
- Help track legislation
- EDUCATE YOURSELVES on this anti-American reality in our schools
