## Racers – Individual Times

### Step 1: Log Into Your Account on the Fenworks Platform

Go to [app.fenworks.com](http://app.fenworks.com) to log into your account on the Fenworks Platform. If you forgot your password, follow the instructions on the screen.

### Login

Enter your credential to access your account.

Email Address  
Enter email address

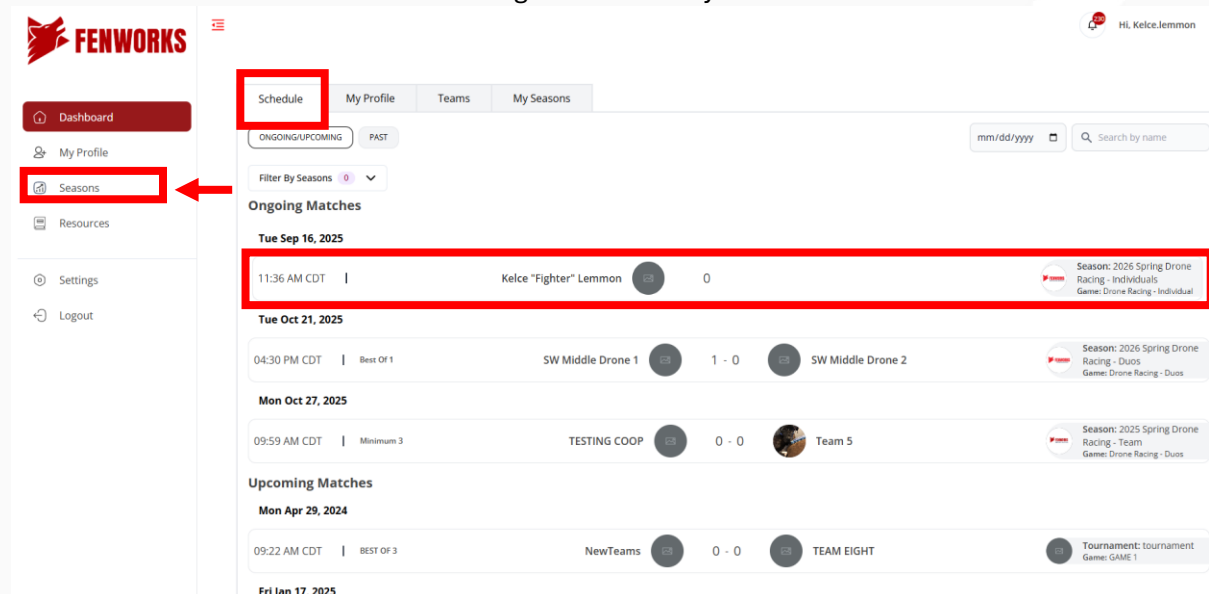

Password  
Enter password

I forgot my password. [Click here to reset](#)

Login

### Step 2: Find Your Match

- 1) Your match should appear on your Dashboard under “Schedule.” Click on the match and it will take you to the week where you need to upload your time.
- 2) If you don't see a match, click on “Season” on the left side and click on the “Drone Racing Individual Season.” Look at the image to make sure you choose the correct one.

#### Step 4: Review the Season Information and Find Stages and Weeks

1. **Season Information:** Please review the Season Information, which will provide you with important information, such as the Track of the Week, a shortened version of the steps to submit your times, and instructions for support.
2. **Stages:** These stages show what stage you are in, such as preseason, season, or tournament.
3. **Week:** This shows you what week you are in based on the current date. Click the week button to open a drop-down menu of all weeks for that stage. To the right of the selected week, you can see the start and end date and information about that stage, such as whether the week has started or not.

The screenshot shows the Fenworks app interface. A red box labeled '1' highlights the 'Season Information' section, which includes details about the '2026 Spring Drone Racing - Individuals' season, track information, and submission instructions. Another red box labeled '2' highlights the 'Stages' section, showing 'PRESEASON' and 'SEASON' options. A third red box labeled '3' highlights the 'Weeks' section, showing a list of weeks (WEEK 1 to WEEK 5) and a 'Week Has Not Started' notification. Below the weeks, there is a 'Group 1' section with user information for Kelce 'Fighter' Lemmon and buttons for 'See Screenshots' and 'Chat'.

#### Step 5: Submit Time

**Week Not Started:** Scroll down to see the current week. If the week has not started yet, you will see the “Week Has Not Started” notification. You cannot submit times until Fenworks Admins have opened the week.

The screenshot shows the Fenworks app interface with a red arrow pointing to a 'Week Has Not Started' notification. The notification is displayed in a red box. Below the notification, there is a 'Group 1' section with user information for Kelce 'Fighter' Lemmon and buttons for 'See Screenshots' and 'Chat'.

**Week Started:** If the week has opened, you will see this screen. You will have infinite chances to race and submit your time. **Note\* Only the last time you upload will count for scoring. Please only put times that are faster than previous times.**

#### Step 4: Review the Season Information and Find Stages and Weeks

1. **Season Information:** Please review the Season Information, which will provide you with important information, such as the Track of the Week, a shortened version of the steps to submit your times, and instructions for support.
2. **Stages:** These stages show what stage you are in, such as preseason, season, or tournament.
3. **Week:** This shows you what week you are in based on the current date. Click the week button to open a drop-down menu of all weeks for that stage. To the right of the selected week, you can see the start and end date and information about that stage, such as whether the week has started or not.

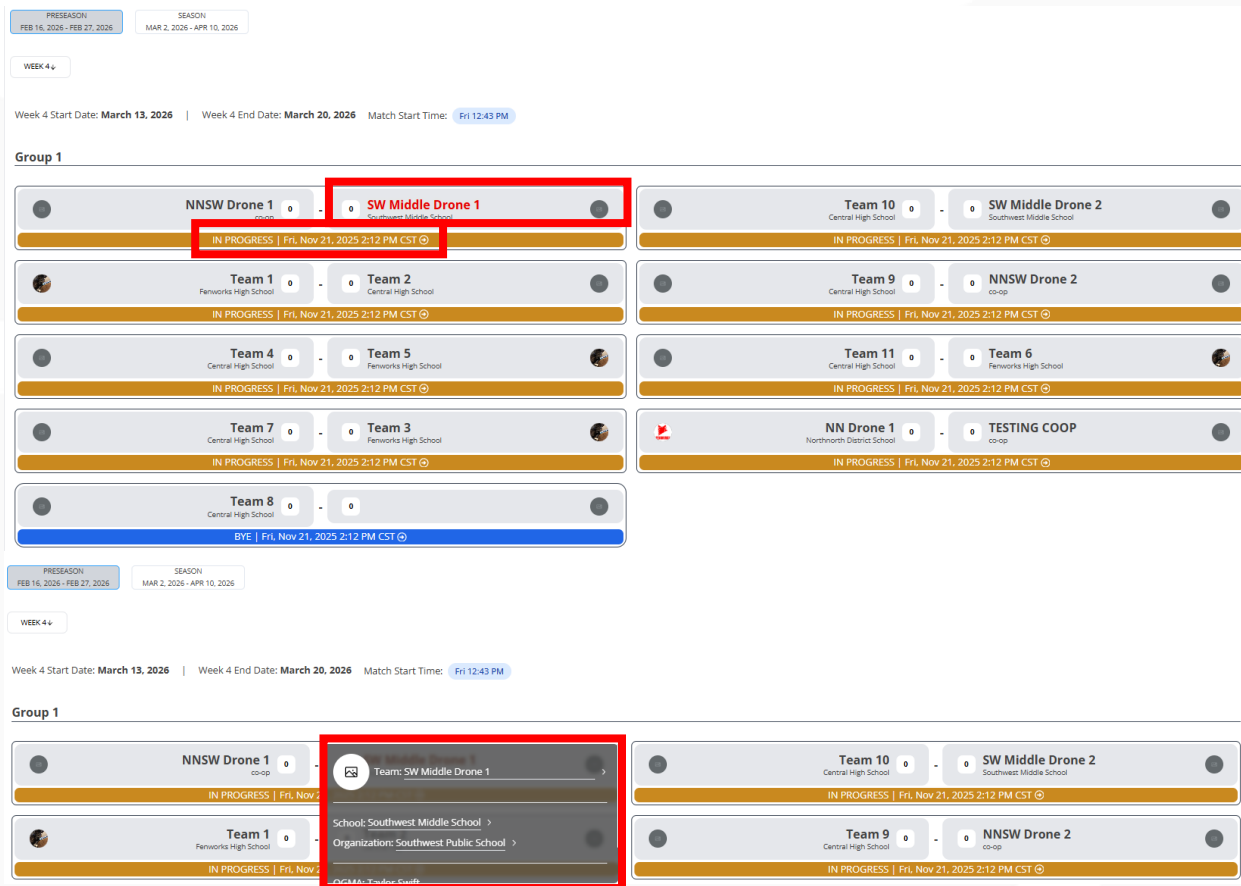

#### Step 5: Find Your Match

Week Not Started: Scroll down to see the current week. If the week has not started yet, you will see the “Week Has Not Started” notification. You might see some matches or no matches. If you see matches, they will indicate that they are upcoming. You cannot submit times until Fenworks Admins have opened the week. Your match will have your team’s name highlighted in red and yellow.

**Week Started:** If the week has opened, you will see that all the match statuses have changed to 'In Progress.' Click on your match. Your match will have your team's name highlighted in red and yellow. If you hover over any of the teams, it will show you the full team's name, school and org name, and the GM names.

The screenshot displays the 'Group 1' match page. At the top, there are tabs for 'PRESEASON' (FEB 16, 2026 - FEB 27, 2026) and 'SEASON' (MAR 2, 2026 - APR 10, 2026). Below these, it shows 'Week 4' and 'Week 4 Start Date: March 13, 2026 | Week 4 End Date: March 20, 2026 | Match Start Time: Fri 12:43 PM'. The matches are listed in a grid. The match 'SW Middle Drone 1' is highlighted with a red box. A tooltip is shown for 'Team 1' (Fenworks High School) with details: School: Southwest Middle School, Organization: Southwest Public School, and GMs: Trevor Smith.

## Step 6: Review the Match Page Resources and Support

Once you click on your match, you will be brought to the match page.

1. **Match Chat:** The top will show the match chat. This is where you can chat with the other team to get in-game names (if they are missing from the profiles), send lobby instructions, or determine if you are racing asynchronously or not. You are also able to hide the match chat.
2. **Flag an Admin:** If you run into any issues or have any questions, click the red "Flag Admin" button inside the match page to flag a Fenworks Admin. A pop-up will appear. Type out your issue, and an admin will appear in the chat to assist you. Please note that it might take a few minutes for a Fenworks Admin to support you. **Note\* You must click Flag Admin or else Admin will not see the message!**
3. **Match Score Submission:** If you continue scrolling, down, you will see the score section. This is where you will enter scores for you and possibly your teammate. Click the red carrot icon to expand the game information to see all the races within a game.

### Step 7: Submit Times

To submit a time, click on the oval under that racer's name. Make sure it's the correct race attempt. **You will only be able to put in times for yourself. However, if you are the Team Captain, you can enter both you and your teammate's times.** You will not be able to see the other teams' times until all times for a game have been submitted.

A pop-up will appear where you will enter the time. **Please make sure to include all three (3) decimal places (Ex. 123.552).** You will be required to submit a screenshot. That screenshot must include the account name, race time, and track name in the background. See below for an example. **Note\* You will only have one opportunity to submit a time per race. You cannot edit or view the screenshot submission after. Your time should appear on the screen. If you made an error, see Step 6 for support.**

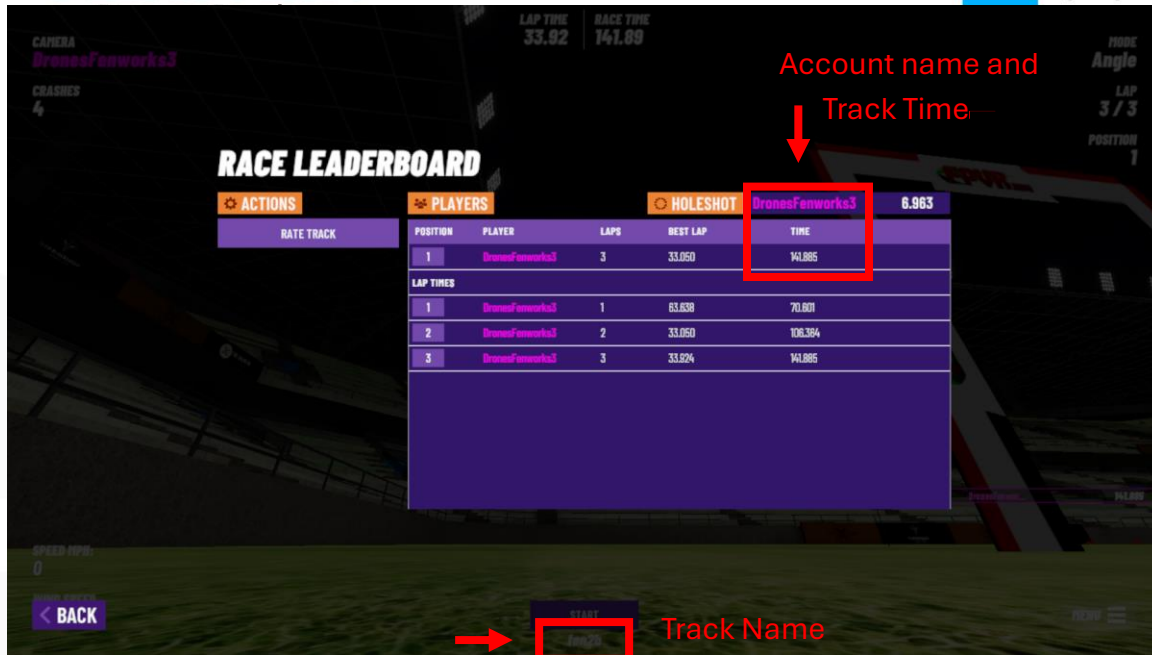

No further steps are needed once a team has entered all the times onto the platform. You do not have to hit the "Submit Scores" button, as it can only be clicked once all times for both teams have submitted their times. Fenworks Admin will do that at the end of the week. However, if a match does have all the times from both teams, any Team Captain or GM can submit the times.

The screenshot shows the Fenworks Drone Racing interface. At the top, there's a header with "NNSW Drone 1" and "SW Middle Drone 1". Below this, a table displays race results for three races. The "Submit Match Results" button is highlighted with a red box and a red arrow pointing to it. To the right, a "Current Roster" section lists team members. Below the table, a "General Manager(s)" section lists the names of the team's managers. At the bottom, a "Submit Match Results" button is highlighted with a red box. Below this, a "DISPUTE RESULTS" button is visible.

Only Team Captains and GMs will see the "Submit Match Results" button.

The "Enter Time" pop-up shows a form for entering a time. It includes a dropdown menu for the user (currently showing "kelce.lemmon") and a text input field for the time (currently showing "0.000"). Below the input field, there's a note: "Enter time with 3 decimal places. (Eg. 123.456)". At the bottom of the pop-up, there are "Submit" and "Cancel" buttons.

Account name and Track Time

Track Name

## Step 8: Checking Weekly and Season Leaderboards

Once the Fenworks Admin publish the week's results, all the match results will be shown on that week's view. To see the season leaderboard, scroll to the bottom and see other teams' win/loss records. Your team will be highlighted in blue.

### Step 6: Support

If you run into any issues or have any questions, click the blue “Chat” button, and a match chat window will appear. Click the red “Flag Admin” button to flag a Fenworks Admin. A pop-up will appear. Type out your issue, and an admin will appear in the chat to assist you. Please note that it might take a few minutes for a Fenworks Admin to support you. **Note\* You must click Flag Admin or else Admin will not see the message!**

### Step 7: Checking Weekly and Season Leaderboards

Once the Fenworks Admin publish the times for a week, all times for all racers will be shown in rank order, as seen below. The number on the left is the rank, and the times are on the right. As a GM, you will be able to see all screenshots for all racers, not just your racers. To see the season leaderboard, scroll to the bottom and see other racers' points and ranks.

1	<b>Kelce "Fighter" Lemmon</b> School: Southwest Middle School    Organization: Southwest Public School	See Screenshots	123.126	Chat

### Step 2: Find Your Matches

- 1) All your racers' matches should appear on your Dashboard under "Match Schedule." Click on the match and it will take you to the week where you can upload your racers' times.
- 2) If you don't see a match, click on "Season" on the left side and click on the "Drone Racing Duos Season." Look at the image to make sure you choose the correct one.

### Step 3: Review the Season Information and Find Stages and Weeks

- Season Information:** Please review the Season Information, which will provide you with important information, such as the Track of the Week, a shortened version of the steps to submit your racers times, and instructions for support.
- Stages:** These stages show what stage you are in, such as preseason, season, or tournament.
- Week:** This shows you what week you are in based on the current date. Click the week button to open a drop-down menu of all weeks for that stage. To the right of the selected week, you can see the start and end date and information about that stage, such as whether the week has started or not.

## Step 5: Review the Match Page Resources and Support

Once you click on a match, you will be brought to the match page.

1. **Match Chat:** The top will show the match chat. This is where you can chat with the other team to get in-game names (if they are missing from the profiles), send lobby instructions, or determine if you are racing asynchronously or not. You are also able to hide the match chat.
2. **Flag an Admin:** If you run into any issues or have any questions, click the red "Flag Admin" button inside the match page to flag a Fenworks Admin. A pop-up will appear. Type out your issue, and an admin will appear in the chat to assist you. Please note that it might take a few minutes for a Fenworks Admin to support you. **Note\* You must click Flag Admin or else Admin will not see the message!**
3. **Match Score Submission:** If you continue scrolling, down, you will see the score section. As a GM, you can upload all the times for your racers. Click the red carrot icon to expand the game information to see all the races within a game. Each racer can upload their own time as well. Team Captains can also upload times for both racers on their team. We encourage you to have each racer fill these out using their accounts. You will not be able to see the other teams' times until all times for a game have been submitted.

The screenshot shows the match page interface with several key elements highlighted by red boxes and numbers:

- Box 1:** Points to the "Match Chat" section at the top, which includes a "Back to Season" button, a "Hide Chat" button, and a "Flag Match" button.
- Box 2:** Points to the "Current Roster" section on the left, which lists team members and their roles.
- Box 3:** Points to the "Flag Match" button in the top right corner of the chat area.
- Box 4:** Points to the "Start writing..." input field at the bottom of the chat area.
- Box 5:** Points to the "Submit Match Results" button in the center of the page.
- Box 6:** Points to the "Dispute Results" button in the center of the page.
- Box 7:** Points to the "GAME 1" dropdown menu in the center of the page.
- Box 8:** Points to the "Minimum 3" text in the center of the page.
- Box 9:** Points to the "Team 6" and "SW Middle Drone 1" headers in the center of the page.
- Box 10:** Points to the "IN PROGRESS | Fri, Nov 21, 2025 3:06 PM CST" status in the center of the page.
- Box 11:** Points to the "Current Roster" section on the right, which lists team members and their roles.

Submit

Cancel

#### Step 6: Submit Times

To submit a time, click on the oval under that racer's name. Make sure it's the correct race attempt. You will not be able to see the other teams' times until all times for a game have been submitted. A pop-up will appear where you will enter the time. **Please make sure to include all three (3) decimal places (Ex. 123.552).** You will be required to submit a screenshot. That screenshot must include the account name, race time, and track name in the background. See below for an example. **Note\* You will only have one opportunity to submit a time per race. You cannot edit or view the screenshot submission after. Your time should appear on the screen. If you made an error, see Step 5 for support.**

No further steps are needed once a team has entered all the times onto the platform. You do not have to hit the "Submit Scores" button, as it can only be clicked once all times for both teams have submitted their times. Fenworks Admin will do that at the end of the week. However, if a match does have all the times from both teams, any Team Captain or GM can submit the times.
