#### Step 4: Review the Season Information and Find Stages and Weeks

1. **Season Information:** Please review the Season Information, which will provide you with important information, such as the Track of the Week, a shortened version of the steps to submit your times, and instructions for support.
2. **Stages:** These stages show what stage you are in, such as preseason, season, or tournament.
3. **Week:** This shows you what week you are in based on the current date. Click the week button to open a drop-down menu of all weeks for that stage. To the right of the selected week, you can see the start and end date and information about that stage, such as whether the week has started or not.

## Step 6: Review the Match Page Resources and Support

Once you click on your match, you will be brought to the match page.

1. **Match Chat:** The top will show the match chat. This is where you can chat with the other team to get in-game names (if they are missing from the profiles), send lobby instructions, or determine if you are racing asynchronously or not. You are also able to hide the match chat.
2. **Flag an Admin:** If you run into any issues or have any questions, click the red "Flag Admin" button inside the match page to flag a Fenworks Admin. A pop-up will appear. Type out your issue, and an admin will appear in the chat to assist you. Please note that it might take a few minutes for a Fenworks Admin to support you. **Note\* You must click Flag Admin, or else Admin will not see the message!**
3. **Match Score Submission:** If you continue scrolling, down, you will see the score section. This is where you will enter scores for you and possibly your teammate. Click the red carrot icon to expand the game information to see all the races within a game.

### Step 7: Submit Times

To submit a time, click on the oval under that racer's name. Make sure it's the correct race attempt. **You will only be able to put in times for yourself. However, if you are the Student Captain, you can enter both you and your teammate's times.** You will not be able to see the other teams' times until all times for a game have been submitted.

A pop-up will appear where you will enter the time. **Please make sure to include all three (3) decimal places (Ex. 123.552).** You will be required to submit a screenshot. That screenshot must include the account name, race time, and track name in the background. See below for an example. **Note\* You will only have one opportunity to submit a time per race. You cannot edit or view the screenshot submission after. Your time should appear on the screen. If you made an error, see Step 6 for support.**

No further steps are needed once a team has entered all the times onto the platform. You do not have to hit the "Submit Scores" button, as it can only be clicked once all times for both teams have submitted their times. Fenworks Admin will do that at the end of the week. However, if a match does have all the times from both teams, any Student Captain or GM can submit the times.

### Step 3: Fill in the In-Game Name Info

Fill in the in-game name from VelociDrone for the account you will use primarily for the season. You will only have to do this the first time you log in.

Connect With Game - Drone Racing - Individual

#### Step 4: Review the Season Information and Find Stages and Weeks

1. **Season Information:** Please review the Season Information, which will provide you with important information, such as the Track of the Week, a shortened version of the steps to submit your times, and instructions for support.
2. **Stages:** These stages show what stage you are in, such as preseason, season, or tournament.
3. **Week:** This shows you what week you are in based on the current date. Click the week button to open a drop-down menu of all weeks for that stage. To the right of the week, you can Join or Leave the Queue Match. Below the selected week, you can see the start and end date, match times, and the timer counting down until the next match.

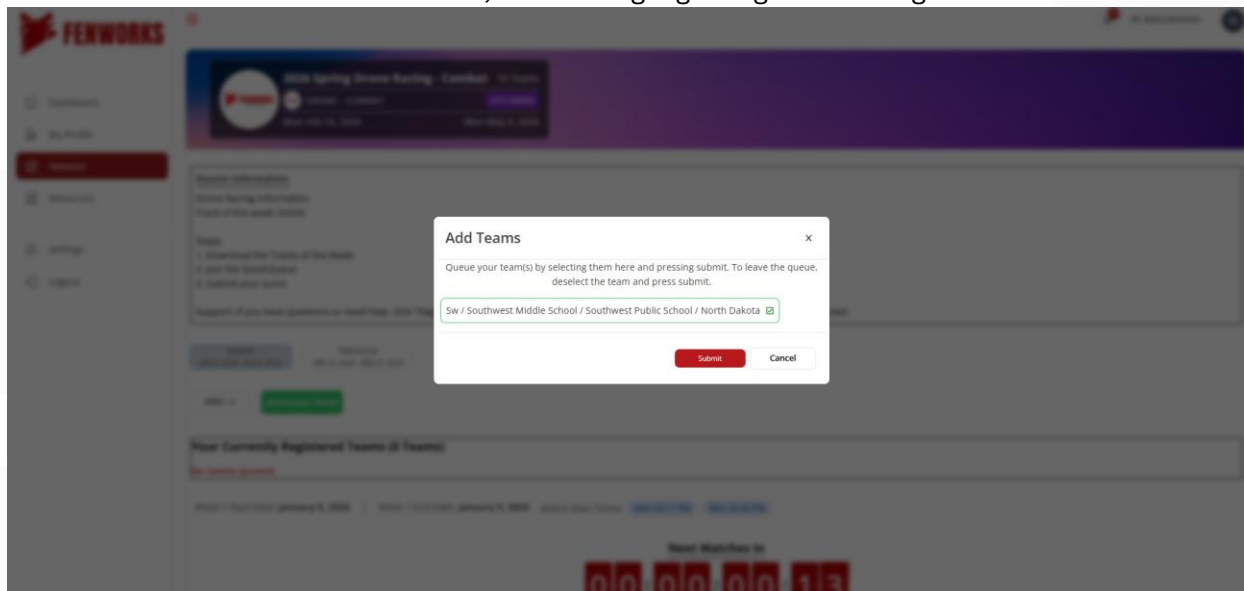

#### Step 5: Joining the Queue

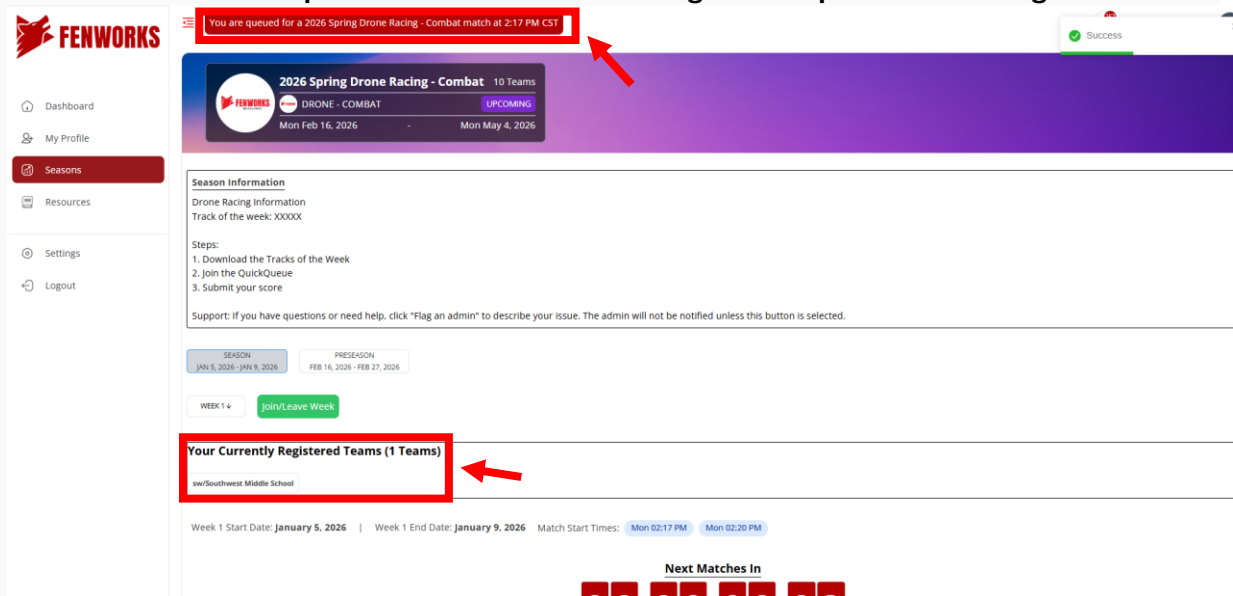

One hour prior to the match, the “Join/Leave Match” button will turn green. Click this button to sign up your team by joining the queue. You can join any time within the one-hour time period. **\*Note: Only Student Captains and GMs can click this button.**

A pop-up box will appear allowing you to click on your team to add it to the queue. Select the team and click "Submit." When it's selected, it will be highlighted green with a green checkmark.

You will be able to tell you are successful if you see at the top of your screen the red "You are queued for a match at (time)" and if you see your team's name in the "Currently Registered Teams" box. **\*Note: Only the Student Captain OR the GM should register a team. If both do it, there is a chance that it will un-queue the team since it will sign them up and then un-sign them.**

Once the timer hits 0, the screen should automatically refresh and show all the matches. However, sometimes it doesn't. Feel free to refresh the page. Your match should be highlighted red and yellow. If you are not in a match, but you think you queued, please reach out to Fenworks Admin on the platform ASAP or email [drones@fenworks.com](mailto:drones@fenworks.com)!

## Step 6: Review the Match Page Resources and Support

Once you click on your match, you will be brought to the match page.

- Match Chat:** The top will show the match chat. This is where you can chat with the other team to get in-game names (if they are missing from the profiles) and send lobby instructions. You are also able to hide the match chat.
- Flag an Admin:** If you run into any issues or have any questions, click the red "Flag Admin" button inside the match page to flag a Fenworks Admin. A pop-up will appear. Type out your issue, and an admin will appear in the chat to assist you. Please note that it might take a few minutes for a Fenworks Admin to support you. **Note\* You must click Flag Admin, or else Admin will not see the message!**

## Step 7: Check In Your Team and Submit Times

- Team Check In:** Either the Student Captain or the GM must check in the team once their match is made. **You should check in as soon as possible, but you have up to 15 minutes after the queue closes to check in, otherwise your team will receive a forfeit.** Click on all the racers that will be participating in that match. Then click the "Check-in Away/Home Team" button. If you make a mistake, click the "Check Out Away/Home Team" button. Once both teams check in, the match will switch from "upcoming" to "in progress."
- Match Score Submission:** If you continue scrolling, down, you will see the score section. Once both teams have checked in, a Game 1 slot will appear. Anyone, student or GM can submit scores. Only one score is needed from either team. It's best to message in the chat on who submit the score and screenshot. Score will either be 1 (win) or 0 (loss). Once you enter the score for Game One, Game Two will appear. Games are a Best of 5.

If you have any additional issues, click the "Flag an Admin" button and explain your problem.

The screenshot shows a first-person view of a player in a green field with a roller coaster in the background. The game interface includes the following elements:

- Top Left:** CAMERA InfoFenworks, CRASHES 4.
- Top Center:** RACE TIME 300.00.
- Top Right:** MODE Angle, LAP 0 / 100.
- Center:** MATCH DRAW between DRONESFENWORKS2 and INFOFENWORKS. A scoreboard shows:

- Bottom Center:** RANK UP, EXP: 15, +74 EXP, Rank Up: 1250, OFFENSE: +9 MVP: +10 MULTI: +55.
- Bottom Left:** CTF Westworld - Capture the flag (Easy).
- Bottom Center:** START button.
- Bottom Right:** Chat window showing "Dronesfenworks2 joined the session" and a "MENU" button.

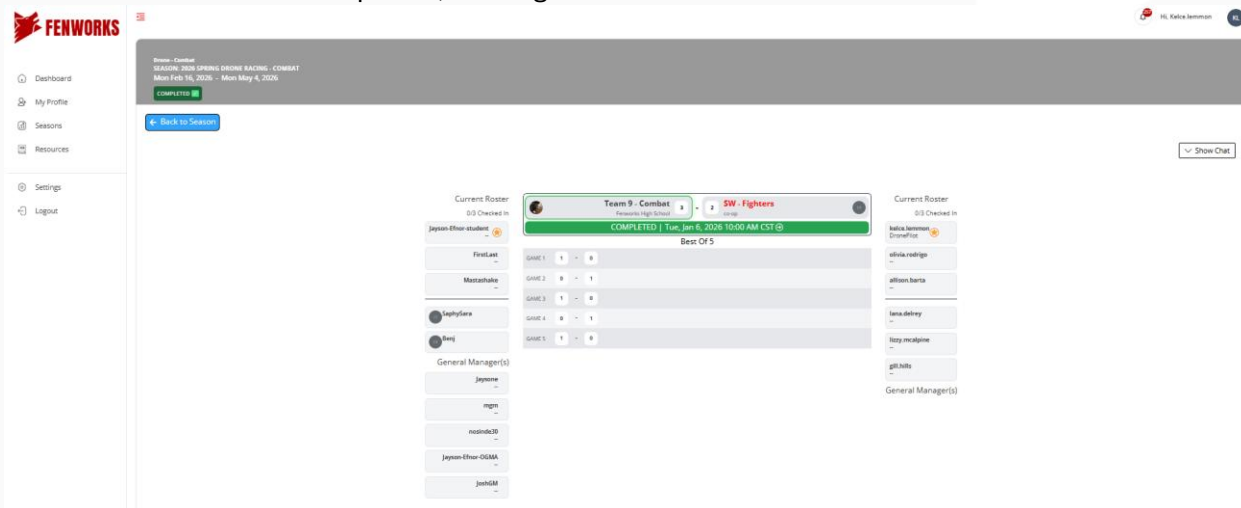

Once all the scores have been submitted, click on the “Submit Match Results” Button. **\*Note that only Student Captains and GMs can see and click this button.**

The screenshot shows the Fenworks interface during a match. On the left, there's a sidebar with navigation links: Dashboard, My Profile, Seasons, Resources, Settings, and Logout. The main content area displays the match details for 'Team 9 - Combat' vs 'SW - Fighters'. The match status is 'IN PROGRESS' and it's a 'Best Of 5' series. A red box highlights the 'SUBMIT MATCH RESULTS' button, which is only visible to Student Captains and General Managers (GMs). The interface also shows rosters for both teams and a 'Show Chat' button.

Once the match shows completed, nothing else is needed.

This screenshot shows the same match interface as before, but the status has changed to 'COMPLETED'. The 'SUBMIT MATCH RESULTS' button is no longer visible, indicating that the match has been finalized. The rest of the interface, including the rosters and navigation sidebar, remains the same.

## Step 8: Checking Weekly and Season Leaderboards

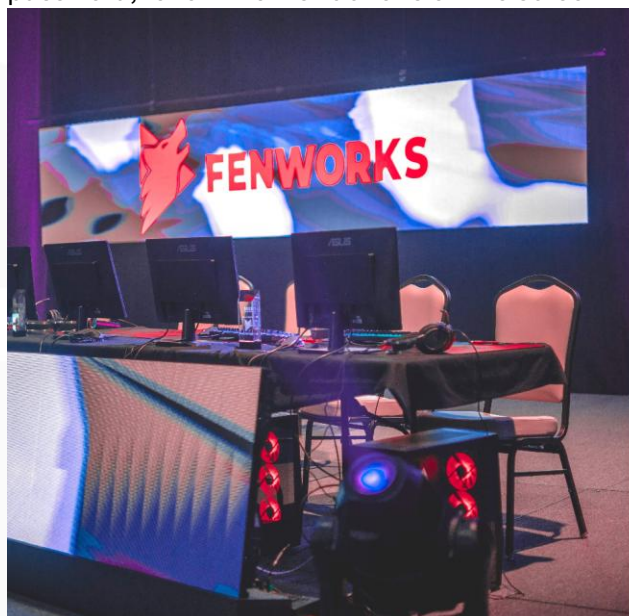

As matches finish, the scores will get updated on the Fenworks Platform. To see the season leaderboard, scroll to the bottom and see other teams' win/loss records. Your team will be highlighted in blue.

## Step 5: Review the Match Page Resources and Support

Once you click on a match, you will be brought to the match page.

1. Match Chat: The top will show the match chat. This is where you can chat with the other team to get in-game names (if they are missing from the profiles), send lobby instructions, or determine if you are racing asynchronously or not. You are also able to hide the match chat.
2. Flag an Admin: If you run into any issues or have any questions, click the red "Flag Admin" button inside the match page to flag a Fenworks Admin. A pop-up will appear. Type out your issue, and an admin will appear in the chat to assist you. Please note that it might take a few minutes for a Fenworks Admin to support you. **Note\* You must click Flag Admin, or else Admin will not see the message!**
3. Match Score Submission: If you continue scrolling, down, you will see the score section. As a GM, you can upload all the times for your racers. Click the red carrot icon to expand the game information to see all the races within a game. Each racer can upload their own time as well. Student Captains can also upload times for both racers on their team. We encourage you to have each racer fill these out using their accounts. You will not be able to see the other teams' times until all times for a game have been submitted.

The screenshot shows the Match Page interface. At the top, there's a header with the match details: "Drone Racing | Drones", "SEASON: 2025 SPRING DRONE RACING - DUOS", and "Mon Feb 16, 2026 - Mon May 4, 2026". Below this is a "Back to Season" button. The main chat area is labeled "Match Chat" and "Fri Nov 21 2025". A "Flag Match" button is visible in the top right of the chat area. Below the chat, there's a "Start writing..." input field. The bottom section is divided into two columns for "Current Roster" and "General Manager(s)". The "Current Roster" section shows "Team 6" (Fenworks High School) and "SW Middle Drone 1" (Southwest Middle School) with a score of 0-0. The "General Manager(s)" section lists users like "Jaysone", "mgm", "nosinde30", "Jaysen-Efnor-OGMA", and "JoshGM". A "SUBMIT MATCH RESULTS" button is prominently displayed in the center.

#### Step 6: Submit Times

To submit a time, click on the oval under that racer's name. Make sure it's the correct race attempt. You will not be able to see the other teams' times until all times for a game have been submitted. A pop-up will appear where you will enter the time. **Please make sure to include all three (3) decimal places (Ex. 123.552).** You will be required to submit a screenshot. That screenshot must include the account name, race time, and track name in the background. See below for an example. **Note\* You will only have one opportunity to submit a time per race. You cannot edit or view the screenshot submission after. Your time should appear on the screen. If you made an error, see Step 5 for support.**

No further steps are needed once a team has entered all the times onto the platform. You do not have to hit the "Submit Scores" button, as it can only be clicked once all times for both teams have submitted their times. Fenworks Admin will do that at the end of the week. However, if a match does have all the times from both teams, any Student Captain or GM can submit the times.

### Step 2: Find Your Match

1. All your racers' matches should appear on your Dashboard under "Schedule." Click the red "Register Now" button. It will take you to the week page where you can queue up the teams.
2. If you don't see a match, click on "Season" on the left side and click on the "Drone Combat Season." Look at the image to make sure you choose the correct one.

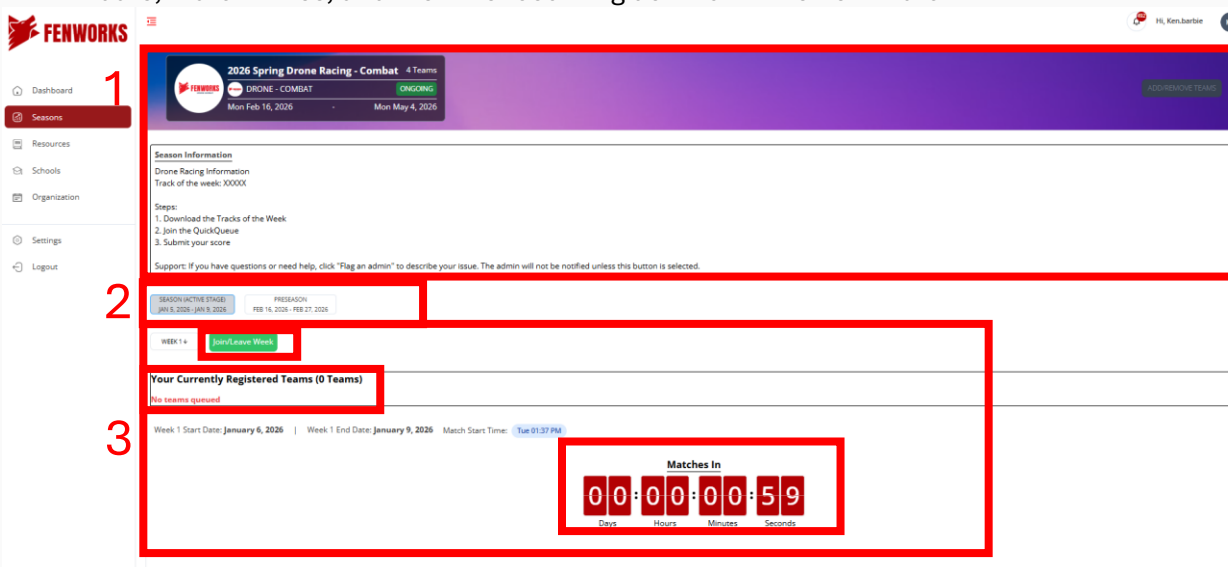

### Step 3: Review the Season Information and Find Stages and Weeks

- Season Information:** Please review the Season Information, which will provide you with important information, such as the Track of the Week, a shortened version of the steps to submit your racers' times, and instructions for support.
- Stages:** These stages show what stage you are in, such as preseason, season, or tournament.
- Week:** This shows you what week you are in based on the current date. Click the week button to open a drop-down menu of all weeks for that stage. To the right of the week, you can Join or Leave the Queue Match. Below the selected week, you can see the start and end date, match times, and the timer counting down until the next match.

#### Step 4: Joining the Queue

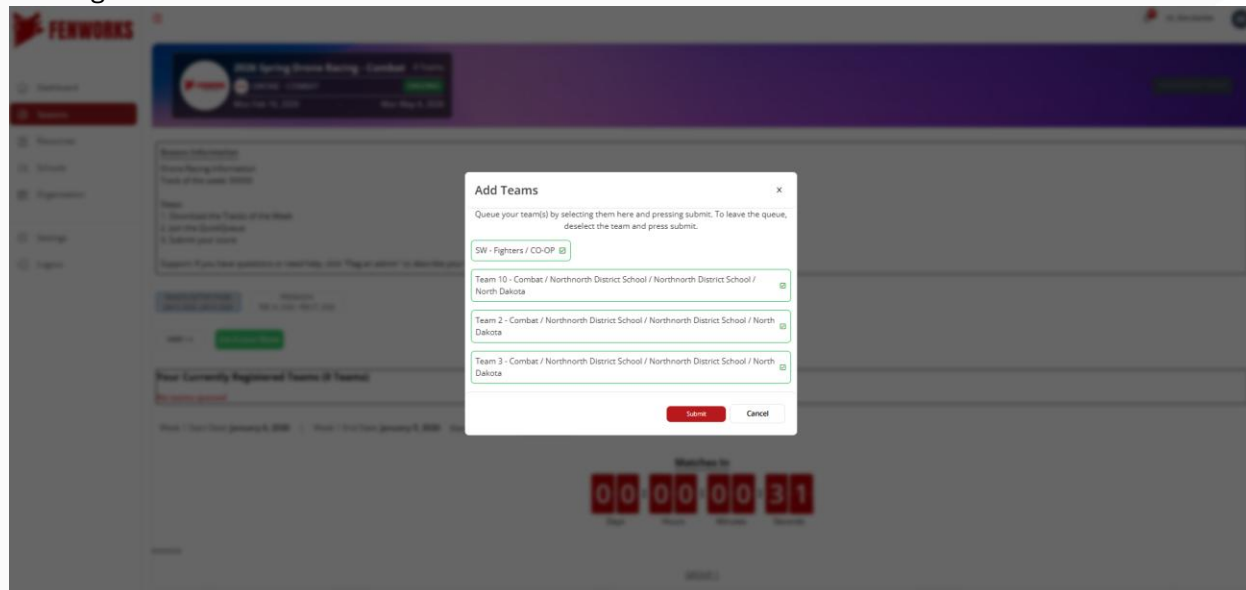

One hour prior to the match, the “Join/Leave Match” button will turn green. Click this button to sign up your racers’ team by joining the queue. You can join any time within the one-hour time period.

**\*Note: Only Student Captains and GMs can click this button.**

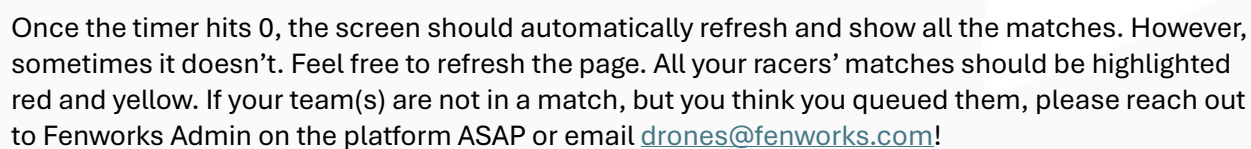

The screenshot shows the Fenworks Drone Racing interface. On the left is a sidebar with navigation links: Dashboard, My Profile, Seasons (highlighted), Resources, Settings, and Logout. The main content area is titled "2026 Spring Drone Racing - Combat" and "10 Teams". It includes a "DRONE - COMBAT" button and a "UPCOMING" status. Below this is a "Season Information" section with details about the drone racing information and track of the week. A "Join/Leave Week" button is highlighted with a red box. Below this is a section for "Your Currently Registered Teams (0 Teams)" which shows "No teams queued". At the bottom, there is a "Next Matches In" timer showing 00:00:55:12 (Days, Hours, Minutes, Seconds).

A pop-up box will appear allowing you to click on all your racers’ teams to add them to the queue. Select the team(s) and click “Submit.” When the team(s) are selected, they will be highlighted green with a green checkmark.

The screenshot shows the Fenworks Drone Racing interface with an "Add Teams" pop-up box. The pop-up box has a title "Add Teams" and a close button. It contains a list of teams to be added to the queue. The teams are: "Team 10 - Combat / Northnorth District School / Northnorth District School / North Dakota", "Team 2 - Combat / Northnorth District School / Northnorth District School / North Dakota", and "Team 3 - Combat / Northnorth District School / Northnorth District School / North Dakota". Each team name is followed by a green checkmark icon. At the bottom of the pop-up box are "Submit" and "Cancel" buttons. The background of the interface is dimmed.

You will be able to tell you are successful if you see your team(s)’ names in the “Currently Registered Teams” box. **\*Note: Only the Student Captain OR the GM should register a team. If both do it, there is a chance that it will un-queue the team since it will sign them up and then un-sign them.**

**Step 5: Review the Match Page Resources and Support**

Once you click on a match, you will be brought to the match page.

1. Match Chat: The top will show the match chat. This is where you can chat with the other team to get in-game names (if they are missing from the profiles) and send lobby instructions. You are also able to hide the match chat.
2. Flag an Admin: If you run into any issues or have any questions, click the red “Flag Admin” button inside the match page to flag a Fenworks Admin. A pop-up will appear. Type out your issue, and an admin will appear in the chat to assist you. Please note that it might take a few minutes for a Fenworks Admin to support you. **Note\* You must click Flag Admin, or else Admin will not see the message!**

**Step 6: Check In Your Team and Submit Times**

3. Team Check In: Either the Student Captain or the GM must check in the team once their match is made. **You should check in your racer’s teams as soon as possible, but you have up to 15 minutes after the queue closes to check in, otherwise your team will receive a forfeit.** Click on all the racers that will be participating in that match. Then click the “Check-in” button. If you make a mistake, click the “Check Out” button. Once both teams check in, the match will switch from “upcoming” to “in progress.”
4. Match Score Submission: If you continue scrolling, down, you will see the score section. Once both teams have checked in, a Game 1 slot will appear. Anyone, student or GM can submit scores. Only one score is needed from either team. It’s best to message in the chat on who submit the score and screenshot. Score will either be 1 (win) or 0 (loss). Once you enter the score for Game One, Game Two will appear. Games are a Best of 5.

If you have any additional issues, click the “Flag an Admin” button and explain your problem.

The screenshot shows a scoreboard overlay in a Call of Duty: Warzone match. The scoreboard is titled "MAGNOLA TEAM VICTORY" and lists two teams: "DRONESFENWORKS2" and "INFOFENWORKS". The scoreboard shows the following statistics:

Team	Kills	Points	Flags Captured
DRONESFENWORKS2	0	17	5
INFOFENWORKS	10	0	0

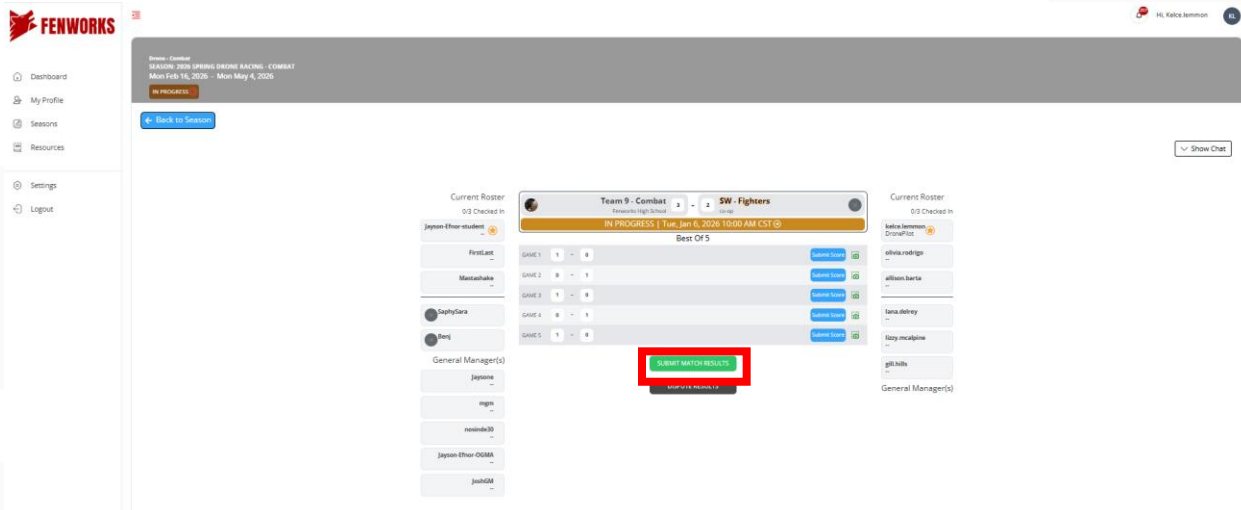

Red boxes and arrows highlight the "0" in the kills column for "DRONESFENWORKS2" and the "5" in the points column for "INFOFENWORKS". The background shows a snowy, mountainous landscape with a large stone archway and a building.

- Tiebreaker 1: Add up each team's racers' points. The team with the most points will win.
- Tiebreaker 2: Add up each team's racers' "kills." The team with the most points will win.

Once all the scores have been submitted, click on the "Submit Match Results" Button. **\*Note that only Student Captains and GMs can see and click this button.**

The screenshot shows the Fenworks interface during a match. On the left is a sidebar with navigation links: Dashboard, My Profile, Seasons, Resources, Settings, and Logout. The main content area displays the match details for 'Team 9 - Combat' (Fenworks High School) vs 'SW - Fighters' (Southwest Public School). The match status is 'IN PROGRESS' and 'Best Of 5'. A red box highlights the 'SUBMIT MATCH RESULTS' button. Below the match details are two rosters: 'Current Roster' and 'General Manager(s)'. The 'Current Roster' lists players like Jayson Elmer-student, FirstLast, Mactashake, Gephylara, Benj, and General Manager(s) like Jayson, mgn, rosinde30, Jayson Elmer-GMMA, and JoshGM. The 'General Manager(s)' section lists players like Isabella Jermson, Olivia Rodrigo, Allison Banta, Sara Delaney, Izzy McAlpine, gill hals, and General Manager(s).

Once the match shows completed, nothing else is needed.

This screenshot shows the same match interface as the previous one, but the match status is now 'COMPLETED'. The 'SUBMIT MATCH RESULTS' button is no longer visible. The rest of the interface, including the sidebar and rosters, remains the same.

## Step 8: Checking Weekly and Season Leaderboards
