History:

This is Hall County's first application for the Local Assistance and Tribal Consistency Fund.

Facts and Issues:

Options:

The American Rescue Plan appropriated \$2 billion to Treasury across FY 2022 and FY 2023 to provide payments to eligible revenue sharing counties and eligible Tribal Governments for use on any governmental purpose except for a lobbying activity. Specifically, the American Rescue Plan reserves \$250 million to allocate and pay to eligible Tribal Governments for FY 2022 and FY 2023, and reserves \$750 million to allocate and pay to eligible revenue sharing counties for FY 2022 and FY 2023. Under this program, recipients have broad discretion on uses of funds, similar to the ways in which they may use funds generated from their own revenue sources. The Local Assistance and Tribal Consistency Fund provides flexible support for eligible revenue sharing counties and eligible Tribal Governments to meet their jurisdiction's needs. Specifically, the statute directs that recipients may use funds for any governmental purpose other than a lobbying activity. As a general matter, recipients may treat these funds in a similar manner to how they treat funds generated from their own revenue. Programs, services, and capital expenditures that are traditionally undertaken by a government are considered to fulfill a "governmental purpose." For Tribal Governments, investing in activities undertaken by Tribal enterprises, such as operating or capital expenditures for businesses that are owned or controlled by a Tribal Government, are considered a governmental purposes.
