**Your Comments\***

Regarding the significant amount of new development on White Sulphur Road. I live off of Navaho off of White Sulphur, right across from the new school under construction. In light of the significant development on White Sulphur recently (new school, multi family housing under construction or pending), I am somewhat concerned on the effect on traffic on White Sulphur. In addition, the road itself is perpetually in terrible shape due to the significant truck traffic. I respectfully request that the BOC take the appropriate steps to ensure that proper traffic studies are performed in a timely manner and that due consideration be paid going forward to the maintenance of the roads. While I am not happy with the escalation in development in the area, I do not find it unreasonable UNLESS the appropriate additional actions are not taken. Thanks for your consideration.
