Board of Commissioners,  
I'm don't want anymore multi-housing units build off of White Sulfur Road. This two lane road is already extremely busy with traffic from 18-wheelers,school buses and people trying to get to and from work. The current road is in poor condition with few safety guardrails. The road is in constant repair of potholes. With the new school off of White Sulfur Road, the traffic situation will get worst. Too little road for too much traffic.  
Are there any plans to widen White Sulphur Road to 4 lanes and add traffic lights?
