REQUEST DETAILS

Description

I cannot make the Planning Commission Meeting Thursday December 8th, but I have concerns about the condition of And upcoming plans for White Sulfur Road. Our little neighborhood has one entrance and it will be very close to the new elementary school entrance. On top of that traffic, the proposed development will n Cagle is going to add an enormous amount of cars to this road already dominated by 18 wheelers. I just want to know what sort of plan there is in place to address this. We have been in

This neighborhood for only 4 years and we have been trapped at the railroad crossing numerous times. I can't machine what it's going to be like when the school opens and houses are built! ☹️ Thanks for listening.
