History:

The County's land acquisition agent has engaged in negotiations with the property owner to arrive at just and adequate compensation for the portion of the property to be acquired. Negotiations have resulted in an agreement with regard to the purchase price for the property, but the County has not been able to bring the purchaser to the closing table. Condemnation is necessary in order to comply with the timeline for construction of the project.

The Sardis Road Connector Project will begin at the Sardis Road and Chestatee Road intersection and will extend northward approximately 3.55 miles to Georgia State Route 60 ending near the intersection of State Route 60 and Mount Vernon Road.
