DIRECTOR  
**Wesley Geddings**

A mandatory pre-bid meeting for bid #003-44 - Fire Sprinkler Maintenance Annual Contract, was held on April 13, 2023 at 1:30 PM at the following locations in Gainesville, Georgia:

Hall County Government Building  
Hall County Courthouse  
Hall County Annex Building  
Main Library

The following people were in attendance:

Mike Hawkins - Hall County Purchasing Department  
Kevin Ivey – Hall County Facilities Management Department  
Brent Penland – Hall County Facilities Management Department  
Paul Hollis – Johnson Controls  
Thomas Barrett – Century Fire Protection

A handout with the list of all buildings and the types of systems in each building was provided by Hall County to the vendors in attendance. The two buildings not in the handout were the Main Library and the Emergency Services Center. The information for those buildings were provided via email to the vendors on April 18, 2023.

During the meeting, it was noted that fire hoses are no longer at any of the properties, so those do not need to be part of the bids.

On April 18, 2023 via email, Paul Hollis, on behalf of the legal team at Johnson Controls, requested that the bid opening be moved one (1) week from April 24, 2023 to May 1, 2023. All parties agreed on April 20, 2023 that it would be acceptable to move the bid opening.
