Statement of Interest

My name is Brad Williams and I am writing to express my interest in serving on the Hall County Library Board. I have spent the majority of my life in Hall County. The local library system has been a valuable asset to me both for leisure and education. I have frequented multiple branches for decades in my own journey from learning to read as a child to working through graduate studies with help from the resources Hall County Library System provides. I often use the quiet study areas on the second floor of the beautifully renovated main branch in Gainesville. I also appreciate the convenience of the Murrayville branch for hold pick ups and frequent drop-ins with my daughters. We participate in the Beanstack reading program thanks to a seemingly never ending supply of children's books. That has recently payed off. My kindergartner is now reading to me, which has made me so proud. I hope that my girls receive the same benefits from a healthy lifelong relationship with an excellent library system. I would like to volunteer for an opportunity to help make sure that hope is realized. Thank you for your consideration.
