TITLE		
Courtroom Upgrades for Magistrate		
SCOPE OF WORK		

## Magistrate Courtrooms 301/302

#### Judge's Bench

- Touch panel
  - Panel will allow for control of court system as well as video preview of shared content if product availability does not allow for on-panel video preview a separate video monitor will be provided
    - High Level Touch Panel Overview:
      - Video Source Selection
      - Video Blackout stops all video output
      - Program Audio Control
      - Individual Microphone Control
      - Sound Masking Engine Enable/Disable
        - Stops microphone output in the room, but continues microphone signal propagation to the court reporter
        - · Plays masking audio through the system speakers
        - Start / Stop Streaming if streaming option selected
- · Desktop mounted speaker for voice lift
- Microphone with pushbutton mute base
- Sidebar microphone
- Sidebar microphone intended to capture sidebar conversations for the record this feature will not amplify sidebar conversations within the room
- HDMI presentation input

#### Witness Stand

- Monitor to display shared content
- Microphone in shock mount
- Microphone requires a hole to be drilled in witness stand table
- · Desktop mounted speaker for voice lift

#### Clerk's Desk

- Microphone with pushbutton mute base
- Desktop mounted speaker for voice lift

#### **Evidence Presentation**

- Lectern provided in quote
- Includes document camera shelf and cable pass through cubby
- HDMI presentation input
- Document camera
- · Microphone with pushbutton mute base

#### Lawyer Tables (Typical of 2)

• Microphone with pushbutton mute base

#### **Court Reporter Desk**

- USB connection
  - This connection will be capable of giving up to 8 discrete audio sources to the court reporter software
  - The court reporter software must accept standard multi-channel USB audio interfaces as an input device
- Price assumes the court reporter can use USB to capture audio and will not require analog connections to an
  outboard audio interface

#### Display Location(s)

- Main Display
  - Large format flat panel(s) on articulating arm on wall behind Judge's bench
- Gallery Display(s) (Typical of 2)
  - Large format flat panel(s) on articulating mounts left and right of the gallery this will show the same content as the main display
  - Price assumes the selected wall is structurally sound and can support display weight
- Display(s) will show content shared from the Judge's Bench or Evidence Presentation Lectern

#### In-Room Audio Reinforcement

- (3) Ceiling speaker zones
- Judge Zone above Judge's Bench and Witness Stand
- Lawyer Zone above lawyer tables and evidence presentation lectern
- Gallery Zone above gallery

#### Analog Press Feed

- · Mono audio output plate for connection to standard press capture equipment
- Location of press feed to be determined before installation

#### Media Recorder

- Rack mounted media recorder that will capture all system microphones to an SD card or USB flash drive
- Recording will be triggered from the system touch panel
- This feature requires the user to provide and manage external media (SD cards, USB flash drives)

# Selected Options (Per Courtroom)

### Agnostic VTC

- Install (4) cameras to capture
  - ∘ Judge
  - Witness
  - Lawyer Left/Center Table
  - Lawyer Right/Center Table
- · Camera views will be processed into a single quad view image
- Audio via system microphones
- This feature requires an owner furnished PC to be located at the Judge's Bench with appropriate conferencing software installed to be tested during installation
- This feature requires the user to select the proper camera / microphone / speakers in the chosen software
- No call controls will be available on the system touch panel
- Any evidence presentation must be made from the owner furnished VTC PC by sharing the local screen, no system video inputs will be available

#### Streaming

- Install (1) camera in the rear of the room to capture court proceedings
- Audio via system microphones
- This feature requires a client owned streaming account (YouTube, Vimeo, etc.) that can be streamed to without generating a new stream key with each instance
- If the streaming account capability matches the above requires a start / stop stream button will be available on the system touch panel

## All Systems

#### **Rack Location**

- Equipment rack location to be determined on site
- Location requires (2) 120V 20A dedicated branch circuits at 18" AFF provided by others
- Location requires (2) data connections to client network
- Location minimum height must be 8'
- Location required sufficient ventilation and must be climate controlled

### Overall

- Price assumes courthouse IT staff will allow VPNs and other monitoring capabilities for the audiovisual system
- Price includes 1-year of remote monitoring / troubleshooting support after this period the option to renew will be available
- Price assumes infrastructure (power, data, etc.) is complete before audiovisual installation begins
- Price assumes cable runs to rack location are less than 330' and do not require surface-mount raceway or

QUOTATION: 12445 S&L Integrated Systems, LLC 7 Midway Rd Thomasville, GA 31757

additional conduit paths that do not exist

 Price assumes all work will take place between the hours of 8AM and 5PM Monday through Friday excluding federal holidays which will be observed by S&L Integrated Systems

**QUOTATION: 12445** S&L Integrated Systems, LLC 7 Midway Rd Thomasville, GA 31757

#### **Payment Terms**

Payment shall be remitted as follows unless pre-authorized by S&L: 50% Deposit at the time of proposal acceptance; 40% Due when installation begins; 10% Due at project completion

#### **Terms and Conditions**

Prices are based upon total purchase as a package. Sales tax quoted is for estimating purposes only. Actual sales tax will be calculated at time of invoicing. There is a minimum 15% restocking fee with original packaging on any returns. The general project description is contained in the Scope of Work (SOW). S&L shall install the specified systems as described in the SOW. No additional work shall be preformed outside of the SOW, except where a proposal or change order has been issued by S&L and signed by the customer. Technicians are not authorized to agree to any work outside of the approved SOW and S&L is not bound by any statements or arrangements that are not approved in writing by both parties. All work must be authorized through the Project Manager or Account Executive only. Any required completion dates of this SOW is subject to the Client's timely acceptance of this proposal and manufacturer lead times. Customer agrees to pay S&L for the services rendered in accordance with the SOW and any authorized Change Orders. Payment shall be remitted in accordance to agreed upon terms. Progress payments will be made according to the payment schedule if one has been defined in the proposal. Final billing from S&L shall be submitted to Customer after completion of the SOW. Complete and Final payments made under this Agreement shall be conclusive evidence of the satisfactory performance of the SOW and acceptance of work and materials

IF YOU WISH TO ACCEPT THIS PRO	POSAL AND RELATED STATEMENT O	F WORK, PLEASE SIGN AND RETURN
