PETITION FOR ACCEPTANCE OF A ROAD INTO THE SYSTEM

We, the property owner(s) listed below, presently own land that abuts Deaton Creek Parkway respectfully request that Deaton Creek Parkway be accepted into The Hall County Road System as follows:

A section beginning at the intersection with Thompson Mill Road and extending Approximately 300 LF in a northern direction to the existing Friendship Road.

We are making this request for the following reasons:

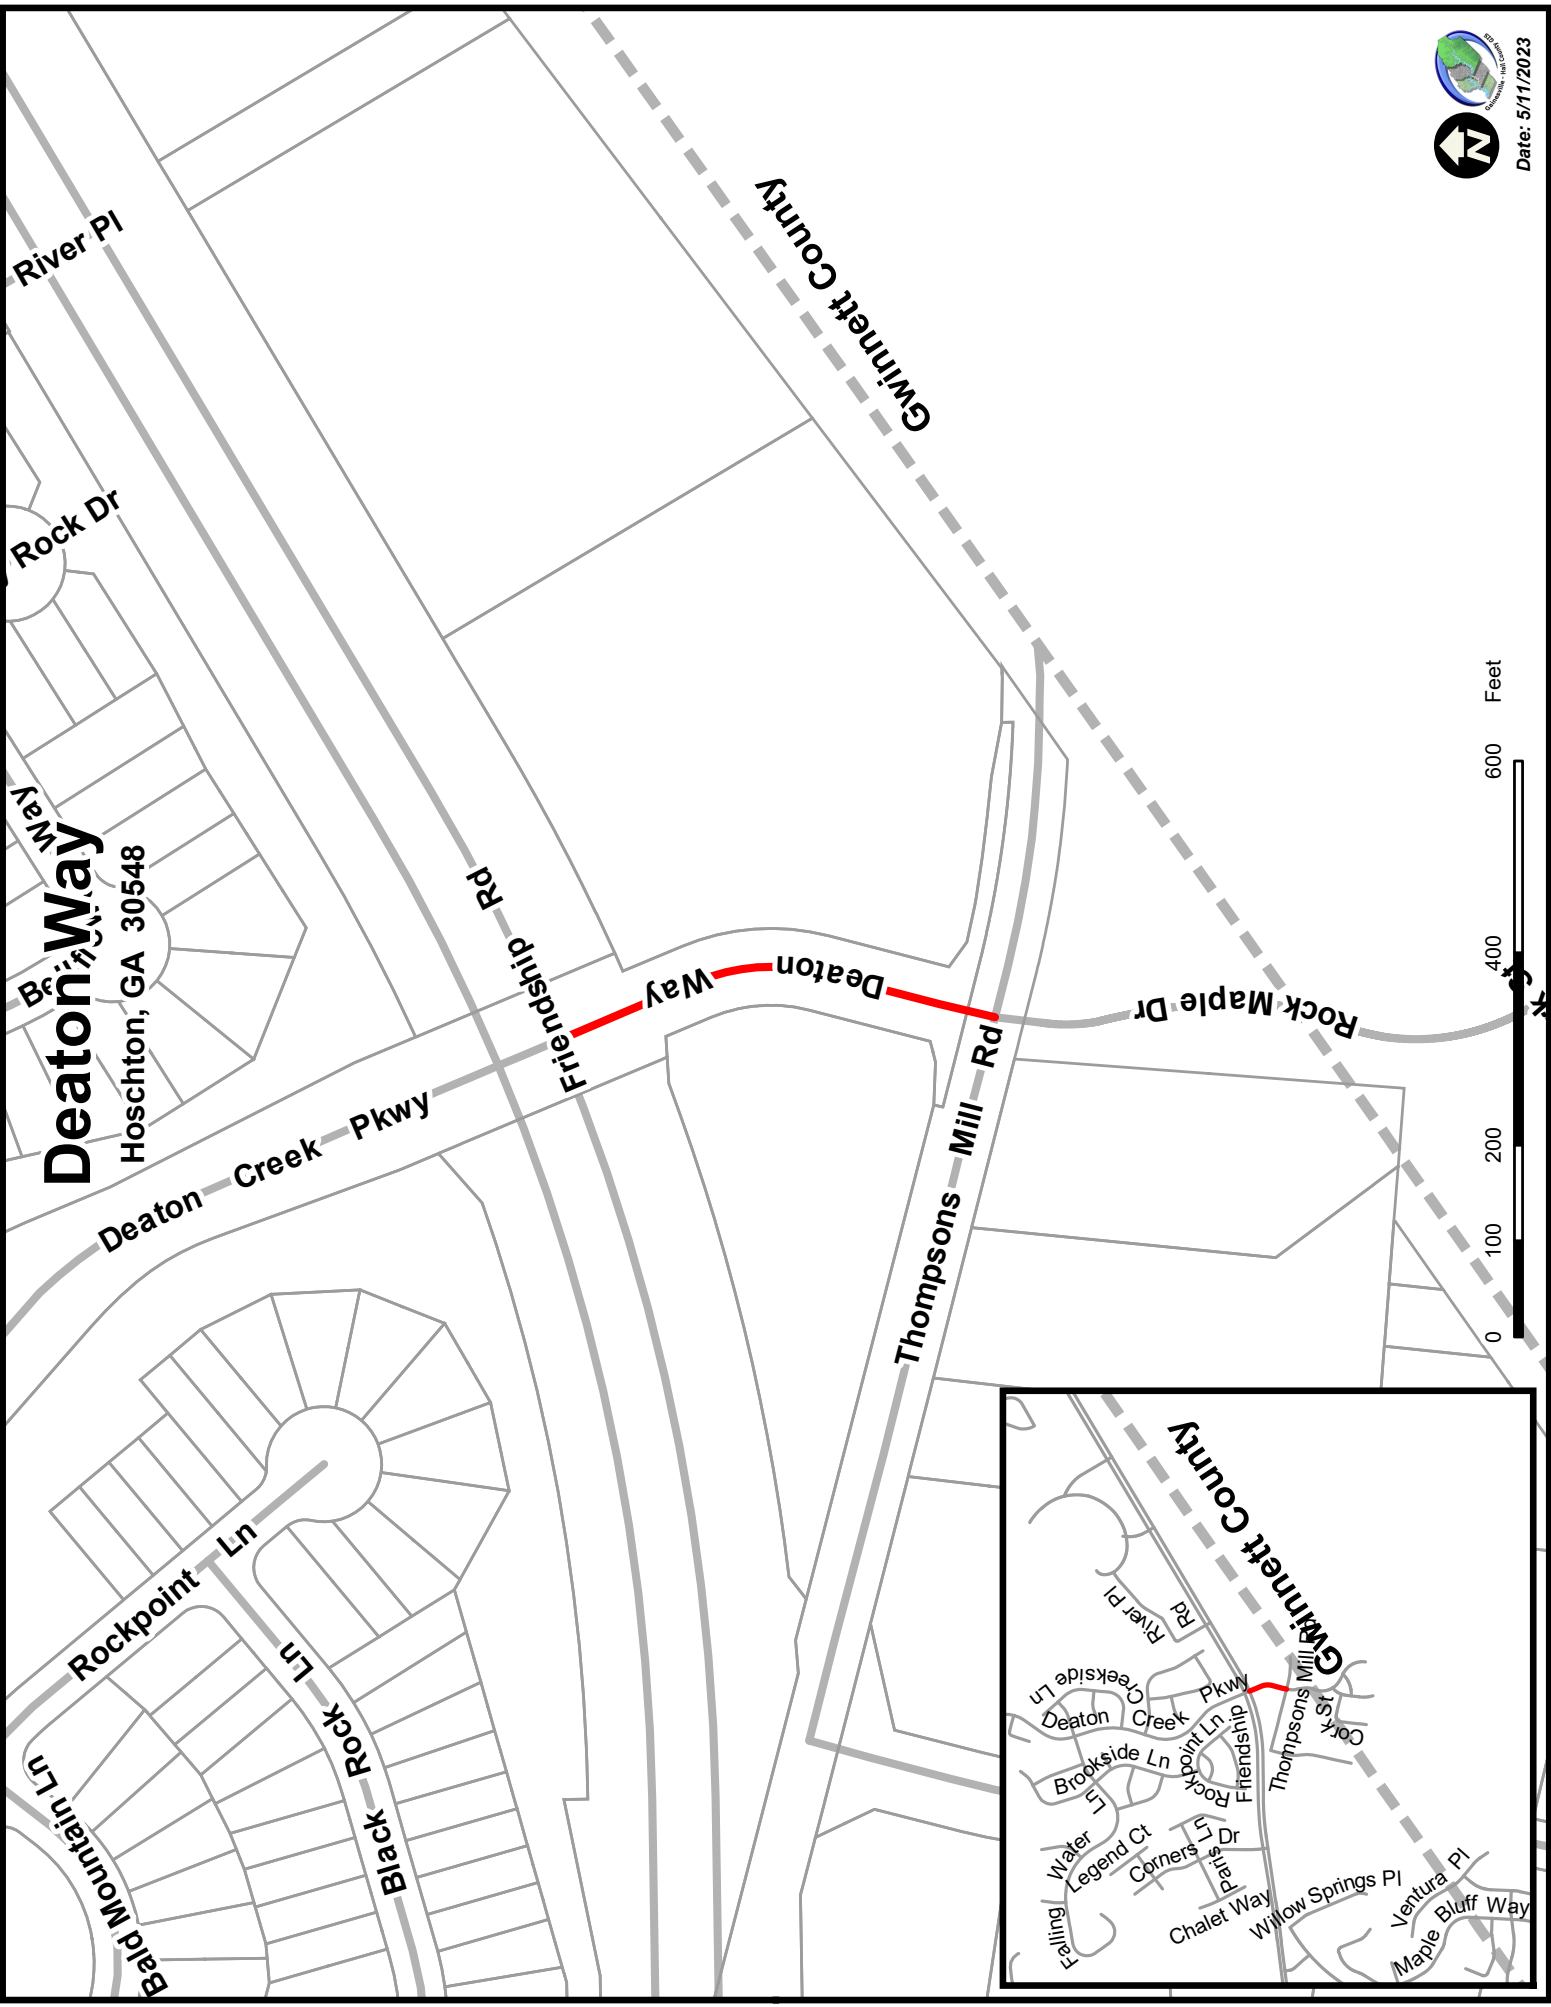

When Friendship Road was opened to the public this section of Deaton Creek Parkway was opened to the public for public use; however, it was not transferred to the Hall County Road System. This petition will support transfer of the above-described section of Deaton Creek Parkway to the Hall County Road System.

We certify that we represent all property owners which abut and have access to this section of Deaton Creek Parkway.
