Your Comments*

Dear Hall County Planning Commission,
I wanted to register my comments on the variance proposal for outdoor amplification of music. I have tried to look at this issue from both sides of the fence, residents and even Mr. Dunagan's perspective. I've driven the area several times as it's in a reasonable proximity to my own.
This variance should be denied as it would create an environment not beneficial to the residents of Tanners Mill Road and surrounding residences to this venue. I personally feel the disruptive nature isn't appropriate for an area that is the majority residential. And this wouldn't create a positive relationship between the Dunagan Hill Venue and the residents who live in these areas. Agri-entertainment venues are allowed to open and run a business inside of residential neighborhoods. Please bear in mind the Dunagan Hill Venue is within a residential area and deny the variance for the outdoor amplification of any kind.
Thank you for your attention and consideration,
Michelle Jackson-Thacher
