

COMPLIANCE LETTER
FOR NEW TELECOMMUNICATION FACILITY

Verizon Wireless acknowledges compliance with the Telecommunication Ordinance and all applicable regulations.

The proposed Wireless Telecommunications Facility:

- 1) shall at all times and without exception, be maintained in a safe manner, and in compliance with all conditions of all permits and authorizations.
- 2) shall at all times be operated and maintained in compliance with all federal, State and local laws, codes, ordinances, rules and regulations, including but not limited to those related to electrical powering limits and RF emissions.
- 3) shall be located, fenced or otherwise be made inaccessible to individuals and constructed or shielded in such a manner that they cannot be climbed into or run into.
- 4) shall furnish written certification that the Wireless Telecommunication facilities are grounded and bonded so as to protect persons and property and installed with appropriate surge protectors after construction and prior to receiving a Certificate of Completion.

Verizon Wireless certifies that the telecommunication facility, foundation and attachments are designed and will be constructed ("as built") to meet all local, County, State and Federal structural requirements for loads, including win and ice loads prior to issuance of the Certificate of Completion.

Verizon Wireless will furnish after construction and prior to receiving a Certificate of Completion, written certification that the Wireless Telecommunication facilities are grounded and bonded so as to protect persons and property and installed with appropriate surge protectors after construction and prior to receiving a Certificate of Completion

Verizon Wireless will expeditiously remedy any physical or RF interference with other telecommunications or wireless devices or services; and

Verizon Wireless will provide Tower maintenance and inspection procedures and related system of records in application for co-location prior to issuance of the Certificate of Completion.

Verizon Wireless proposed work is legally permissible, including, but not limited to the fact that the Verizon Wireless is authorized to do business in the State.

Signed by:  being authorized to sign for and legally commit the applicant.
