- A. The County will issue a Notice to Proceed (NTP) to the Contractor, and Purchase Order(s) (herein after 'PO'). The terms of this Contract shall be incorporated by reference into any and all PO(s) issued prior to the expiration or termination of this Contract. The County will issue the PO by electronic mail (e-mail) to the Contractor's representative in *ARTICLE #103 - NOTICES*. A PO is considered "issued" when the e-mail containing the PO is sent by the County to the Contractor.

The Contractor shall not deliver any Services, equipment, devices, or components thereof until authorized in writing by the County through issuance of a PO, which shall provide a commencement Notice to Proceed date. Any work, including but not limited to travel, preliminary meetings, planning, etc., performed outside of the terms and conditions of and before the issuance of the PO will not be considered for payment. Contractors are not to begin work or ship any product on any verbal communication from within the County. The County will not be liable for payment for any work or product with the issuance of a verbal communication.

The Scope of Services shall remain in effect from the Notice to Proceed to completion of the project. The Parties agree that the County will not pay or otherwise compensate the Contractor for any Services, materials, equipment, devices or components thereof outside of the Scope of Work and/or beyond the term of this Contract, unless specifically authorized in writing as evidenced by an

amendment (see *ARTICLE #106 - CONTRACT AMENDMENTS &, MODIFICATION*), a time extension letter, or as otherwise authorized by the County.

B. Invoice/Payment.

1. Contractor shall invoice the County via email each month solely to accountspayable@hallcounty.org and only after the County inspects and accepts the Services provided. Receipt of the Services does not constitute acceptance. Invoice amounts shall not exceed the Contractor's pricing set forth in *ARTICLE #102*.
2. Each invoice shall include the Contractor's current "Remit to" address; a description of the Services provided; the invoice amount; the Contract number; and the associated PO number issued. Each properly prepared invoice must be sent in accordance with the instructions listed on the PO. Standard payment terms are net 30 days (N30) in arrears from the date the invoice is accepted, following delivery of the Services.
3. The County does not pay for services not yet received but only in arrears.
4. The Contractor shall be solely responsible for paying all costs, expenses and charges it incurs in connection with its performance under the Contract.

C. Unsatisfactory Performance; Delay of Payment.

1. If the County determines that the quality of the Services provided are deficient, unacceptable, or unsatisfactory, the County's Project Manager identified in *ARTICLE #103* shall issue a written notice to Contractor. Contractor agrees that upon receipt of the written notice, it shall make every effort to correct the deficiency (ies) within the timeframe prescribed therein. If the Contractor fails to timely correct the deficiencies, the County reserves the right to delay or deny payment pursuant to this *ARTICLE #122* or terminate the Contract (*ARTICLE #108 – TERMINATION PROVISIONS*).
2. **Delay of Payment Due to Contractor's Failure.** If the County determines that the Contractor has failed to perform or deliver any Services as required by the Contract, the Contractor shall not be entitled to any compensation under the Contract until such Services are delivered and accepted. In this event, the County may withhold that portion of the Contractor's compensation, which represents payment for Services that were not delivered. To the extent that the Contractor's failure to perform or deliver in a timely manner causes the County to incur costs, the County may deduct the amount of such incurred costs as liquidated damages from any amounts payable to Contractor. The County's authority to deduct such incurred costs shall not in any way affect the County's authority to terminate the Contract.

- D. Set-Off Against Sums Owed by the Contractor.** In the event that the Contractor owes the County any sum under the terms of the Contract, pursuant to any

judgment, or pursuant to any law, the County may set off the sum owed by the Contractor against any sum owed to the Contractor, in the County's sole discretion.

- E. **Final Payment.** Contractor shall issue an invoice for final payment to the County no later than thirty (30) days following the expiration or termination date of the Contract.

The Contractor is required to provide new bonds at the issuance of each Renewal Option Term(s) or Extension(s) that follow.

The Contractor must provide all required bonding instruments to the County prior to commencement of any work. The County will consider any work done prior to the receipt of bonding instruments as null-and-void and thus not eligible for compensation.

- A. It is the policy of Hall County to seek the best overall value when procuring goods and services. Toward this end, the county finds and declares that its objectives will best be achieved through an open, competitive process with a broad range of responsible vendors wishing to furnish products and services to the county. Hall County will establish and conduct a procurement program that maximizes service benefit to the community and awards contracts to vendors who offer the best quality and value.
- B. Hall County declares that county employees and officials, along with those wishing to do business with the county, have the shared responsibility for avoiding biased, anticompetitive, or unethical practices.
- C. Hall County employees, officials, and their family members are prohibited from seeking, requesting, or receiving any material payment, gift, job offer, security, promise of future benefit, or any other tangible or intangible thing of value when such receipt has the potential to influence a procurement decision or to gain undue advantage in a procurement competition.
- D. Prospective vendors must compete for county business within the parameters of the solicitation process and are prohibited from seeking to obtain inside information, attempting to skew the writing of specifications, or influencing a procurement decision through any means outside the process established for the particular solicitation. This principle applies to any contractor, subcontractor, representative, employee, or agent that may be associated with a procurement transaction.
- E. Bidders and proposers shall disclose on competitive bid responses any individual(s), firm(s), and/or county official(s) who do business with the county if there is an appearance of a conflict of interest.
- F. Ethical business practices are important, both, during a solicitation, and after the decision to grant an award. The county seeks to establish relationships with business partners whose ongoing ethical standards of business conduct are congruent with those outlined here. The purchasing manager, subject to the approval of the director of financial services, is charged with establishing methods for ongoing monitoring for non-compliance with these principles. The prohibition against the offering of or the acceptance of kickbacks, gratuities, payments or any other instrument of value extends beyond and outside any specific procurement or solicitation.
- G. A vendor's contract compliance history with Hall County and other contractual parties is a valid element in the decision to award, or not, a contract.

- H. Hall County stipulates that the furtherance of its strategic goals for job creation, stability and growth in the tax base, business retention, and other fiscal and economic development objectives may be considered during the procurement process. The purchasing manager, subject to the approval of the director of financial services, is authorized to establish procurement initiatives consistent with the county's strategic economic development objectives. These procurement practices shall be applied consistently and equitably and shall have a direct relationship to the county's goals.
- I. Hall County employees, officials, and their family members are generally prohibited from participation in any procurement decision or any gain of undue advantage in a procurement competition as a result of contemporaneous employment with a potential or actual business partner.
- J. It is unethical for any county employee to purchase commodities or services from a county contract for personal use.
- K. With the exception of solicitations for the sale of real property, individuals, firms and businesses seeking an award of a Hall County contract may not initiate or continue any verbal or written communications regarding a solicitation with any county officer, elected official, employee or other county representative other than the purchasing associate named in the solicitation, or the county's financial advisor, between the date of the issuance of the solicitation and the date of the final contract award by the board of commissioners. The purchasing manager will review violations. If determined that such communication has compromised the competitive process, the offer submitted by the individual, firm or business may be disqualified from consideration for award. Solicitations for the sale of real property may allow for verbal or written communications with the appropriate Hall County representative.
- L. All county commissioners, officials, and employees shall adhere to the standards outlined in the Hall County Code of Ethics.
- M. **(AMENDED)** The purchasing division of the financial services department shall determine and implement methods of educating all prospective contractors, bidders, proposers, and vendors on the requirements and provisions of Code Section 3.10.070, including, but not limited to, requiring each prospective contractor, bidder, proposer, and vendor that expresses an intent to do business with the County to sign an affidavit attesting that they have read this Chapter and have more specifically also read Code Section 3.10.070." (Res. of 11-14-19(1), § 1 (Exh. A))
