It is further agreed that in the event the Tenant agrees to peacefully surrender possession of the Premises or should it default in any of its other covenants with Landlord set forth herein so that it becomes necessary for Landlord to employ an attorney to collect rents or to recover possession of the Premises or to enforce any covenant made by the Tenant hereunder, the Tenant shall pay all costs of collection and expenses of recovery of possession or costs and expenses of any action so required, including reasonable attorneys' fees through appeal. The remedies provided herein are cumulative to those provided by law, and the right of the Landlord to declare the term at an end and to re-enter the Premises shall not in any manner affect the right of the Landlord to terminate and declare this Lease void and ended.

15. COMPLIANCE. Should the Tenant fail to comply with any of the terms, covenants and conditions contained in the within Lease on the part of the Tenant to be kept and performed, the Landlord may, after fifteen (15) days' notice to the Tenant (or such longer time as may be reasonably necessary so long as Tenant diligently pursues such cure to completion), comply therewith for the other (but Landlord shall not be obligated so to do), and the reasonable cost of such compliance shall be payable upon five (5) days demand to the Tenant.
