The Bank Representative hereby authorizes the Applicant to provide this statement of credit availability for the mitigation bank listed above as a potential source of compensatory mitigation in its U.S. Army Corps of Engineers (Corps) permit application for the above referenced project. The Bank Representative shall indicate the current status of credit availability (see check boxes below) for all inquiries of credit availability for Corps permit applications within the geographic service area(s) of the respective mitigation bank. Failure of the Bank Sponsor to provide a statement of credit availability for a Corps permit application will result in the Corps' determination that the mitigation credits are **NOT AVAILABLE** for purchase from the respective mitigation bank.

By signing below, I certify that the mitigation credits specified above are currently **AVAILABLE** for purchase from the named Mitigation Bank. This certification does not create an obligation to sell the specified credits.

By signing below, I certify that the mitigation credits are currently **NOT AVAILABLE** for purchase from the named Mitigation Bank. This certification does not preclude the Bank Sponsor from offering the specified credits for sale if they should later become available. However, the Applicant will be under no obligation to purchase the later-offered credits if the Applicant secures acceptable credits from another source.

Note 1: Potential mitigation credits that have not been released for sale will only be considered “available” at the discretion of the Corps.

Note 2: If the purchase of available credits identified in this statement of credit availability cannot be finalized by either party (Banker or Applicant), the Applicant will need to immediately coordinate with the Corps to ensure that an alternative compensatory mitigation plan is proposed to offset project impacts.

Note 3: If credits are being purchased from multiple mitigation banks, then a Statement of Credit Availability is required from each mitigation bank.
