Clarification: This contract will be for one (1) initial year followed by four (4) one-year renewal options. Renewals are not automatically renewed nor guaranteed.

The following questions were asked by various vendors. The answers from Hall County follow.

1. **Are POs issued monthly? If not, what is the duration that should be expected? Weekly? Monthly? Random?** – (1) blanket PO for the entire fiscal year 2025 will be issued in the beginning of July. All invoices need to reference the PO#, so accounts payable can process the payments against that PO.
2. **How soon after PO is issued do you require delivery?** – Deliveries are to be made once a week.
3. **Is there quantity history averages (estimated monthly quantity) per item?** – No, we have not tracked quantity averages.
4. **How do we need to handle item substitutions?** - Item substitutions will need to be coordinated with our Food Service Director. We have strict dietary and caloric intake guidelines for our approved menus. Any change would have to be approved by him.

The following items were inadvertently left off of the original IFB. Please provide quotes for these items as well.
