The Transportation Special Purpose Local Option Sales and Use Tax, subject to approval in an election to be held on November 5, 2024, shall be imposed at the rate of one percent (1%). The total estimated dollar amount for the net proceeds of the tax is \$390,000,000 (Three Hundred and Ninety Million Dollars). The maximum period of time for which the tax shall be imposed is six years, beginning on April 1, 2025 and ending on the final day of the six-year period. The maximum amount of net proceeds to be raised by the Transportation Special Purpose Local Option Sales and Use Tax shall correspond to the period of time that the Transportation Special Purpose Local Option Sales and Use Tax shall be imposed. Hall County and its Municipalities intend for the maximum amount of net proceeds to be raised by the Transportation Special Purpose Local Option Sales and Use Tax to be the maximum amount of net proceeds allowed by law, specifically in accordance with House Bill 934 which became effective on May 2, 2022 and House Bill 946 which became effective on May 6, 2024. The tax shall cease to be imposed on the final day of the maximum period of time allowed by law, six years, pursuant of Official Code of Georgia Annotated Section 48-8-262(d)(2)(C), as amended by House Bill 946 during the 2024 Legislative Session, unless sooner required by law.

Section 4. Effective Date and Term of This Agreement.

This Agreement shall commence upon the date of its execution by Hall County and all Municipalities and shall terminate upon the latter of:

- A. The official declaration by the Board of Elections and Registration of Hall County of the failure of the election described in this Agreement; or
- B. The expenditure by the County and the Municipalities of the last dollar of money collected from the Transportation Special Purpose Local Option Sales and Use Tax even if such

expenditure is made after the expiration of the Transportation Special Purpose Local Option Sales and Use Tax collection period, but in no event shall this Agreement run for more than 50 years from January 1, 2024.

Section 5. Purposes and Projects, Priority and Order of Funding.

- A. In recognition of the need for transportation improvements across Hall County and its Municipalities, the parties agree that the estimated total net proceeds (\$390,000,000) shall be utilized for the following transportation purposes (the "Purposes"): roads, streets, bridges, including without limitation road, street, and bridge purposes pursuant to paragraph (1) of subsection (b) of Official Code of Georgia Annotated Section 48-8-121, trails, roundabouts, sidewalks, traffic signals, and all accompanying infrastructure and services necessary to provide access to these transportation facilities.
- B. The transportation Purposes and Projects to be funded in whole or in part from Transportation Special Purpose Local Option Sales and Use Tax proceeds (the "Projects"), are listed in Exhibit A, which is attached hereto and made part of this Agreement. The parties acknowledge and agree that at least 30% of the estimated revenues are being expended on Projects that are consistent with the Statewide Strategic Transportation Plan as defined in Official Code of Georgia Annotated § 32-2-22.
- C. All transportation Purposes included in this Agreement shall be funded from proceeds from the tax except as otherwise agreed. The Projects and Purposes described herein shall be funded from Transportation Special Purpose Local Option Sales and Use Tax proceeds as provided in this Agreement, and as specified in Exhibit A. Each party shall have the sole discretion to reduce the scope of a Project in the event of a funding shortfall.
- D. No general obligation debt is to be issued in conjunction with the imposition of the tax.

Section 6. Transportation Special Purpose Local Option Sales and Use Tax Funds; Separate Accounts; No Commingling.

- A. A special fund or account shall be created by the County and designated as the 2025 Hall County Special District Mass Transportation Special Purpose Local Option Sales and Use Tax Fund (the "County Transportation Special Purpose Local Option Sales and Use Tax Fund"). The County shall select a bank which shall act as a depository and custodian of the County Transportation Special Purpose Local Option Sales and Use Tax Fund upon such terms and conditions as may be acceptable to the County.
- B. Each Municipality shall create a special fund to be designated as the 2025 [Municipality name] Special District Mass Transportation Special Purpose Local Option Sales and Use Tax Fund (each a "Municipal Transportation Special Purpose Local Option Sales and Use Tax Fund"). Each Municipality shall select a bank which shall act as a depository and custodian of the Transportation Special Purpose Local Option Sales and Use Tax proceeds received by each Municipality upon such terms and conditions as may be acceptable to the

Municipality.

- C. All Transportation Special Purpose Local Option Sales and Use Tax proceeds shall be maintained by the County and each Municipality in the separate accounts or funds established pursuant to this Section. Transportation Special Purpose Local Option Sales and Use Tax proceeds shall not be commingled with other funds of the County or the Municipalities and shall be used exclusively for the purposes detailed in this Agreement. No funds other than Transportation Special Purpose Local Option Sales and Use Tax proceeds shall be placed in such accounts.

Section 7. Allocation and Disbursement of Transportation Special Purpose Local Option Sales and Use Tax Proceeds.

- A. Upon receipt by the County of Transportation Special Purpose Local Option Sales and Use Tax proceeds collected by the State Department of Revenue, the County shall immediately deposit said proceeds in the Transportation Special Purpose Local Option Sales and Use Tax Fund. The monies in the Transportation Special Purpose Local Option Sales and Use Tax Fund shall be held and applied to the cost of acquiring, constructing and installing the Projects that have been designated as Major Projects by the County and all Municipalities (hereinafter the “Major Projects”) and the County capital outlay projects listed in Exhibit A and as provided in Paragraph B of this Section. In the event that a Major Project is specifically designated herein to be administered by a specific Municipality, the County shall, within 30 days of receipt of funds from the State Revenue Commissioner, transfer the funds designated for such Major Project to the designated Municipality on a pro-rata basis with Major Projects to be administered by the County and other specifically designated Municipalities according to the amount of proceeds received each month for Major Projects. The following Major Projects have been specifically designated in Exhibit A to be administered by specific Municipalities:

Ridge Road Corridor Improvements – Administered by the City of Gainesville

Park Hill Drive Intersection Improvements – Administered by the City of Gainesville

Hilton Drive Extension – Administered by the City of Gainesville

Frazer Road Corridor Improvements – Administered by the City of Buford

Mulberry Street Connector - Administered by the City of Flowery Branch

Old Oakwood Road at Balus Creek Road Culvert Replacement and Road Alignment) – Administered by the City of Oakwood

Main Street, Flat Creek, and Old Oakwood Road Intersection – Administered by the City of Oakwood

B. The County, following each monthly deposit of the Transportation Special Purpose Local Option Sales and Use Tax proceeds in the Transportation Special Purpose Local Option Sales and Use Tax Fund, shall reserve \$4,333,333.33 (Four Million Three Hundred Thirty-Three Thousand Three Hundred Thirty-Three and 33/100 Dollars) of the monthly Transportation Special Purpose Local Option Sales and Use Tax proceeds received to pay the cost of the Major Projects to be administered by the County or specifically designated Municipalities as set forth in Exhibit A to this Agreement on a pro rata basis determined by the percentage of the individual Project as a portion of Major Projects. For example, the percentage of the Project known as the Mulberry Street Connector is 0.0080 percent compared to the total Major Projects List, as shown on Exhibit A, so each month Hall County would disburse the sum of \$34,722.22 to the City of Flowery Branch from the Major Projects reserve to facilitate the City of Flowery Branches administration of the construction of the Mulberry Street Connector Project, assuming that at least \$4,333,333.33 is received as TSPLOST proceeds from the State Revenue Commissioner for that month. If at least \$4,333,333.33 is not received for the month, then the distribution by Hall County to the City of Flowery Branch for that month would be 0.0080 percent of the funds received by Hall County from the State Revenue Commissioner for that month. Additionally, if the net proceeds from the Transportation Special Purpose Local Option Sales Tax exceed the sum of \$4,333,333.33 for the month, the County shall disburse to each Municipality its pro-rata allocation of the remaining monthly Transportation Special Purpose Local Option Sales and Use Tax net proceeds received, within thirty (30) days of the County's receipt of such Transportation Special Purpose Local Option Sales and Use Tax proceeds. The County or the specifically designated Municipality shall expend the monies reserved for Major Projects to construct and install such Major Projects. The County and the Municipalities shall receive a pro-rata allocation of the remaining Transportation Special Purpose Local Option Sales and Use Tax net proceeds, after the allocation for the Major Projects, on a monthly basis in accordance with the table below. The aggregate net remaining Transportation Special Purpose Local Option Sales and Use Tax proceeds are estimated to be \$78,000,000 (Seventy-Eight Million Dollars) over the six (6) year period.

Project	County/Municipality	Pro Rata %	Estimated Cost
County Projects (excluding Major Projects)	Unincorporated Hall County	42.5000%	33,150,000
Braselton	Braselton	3.9981%	3,118,497
Flowery Branch	Flowery Branch	9.7953%	7,640,319
Gainesville	Gainesville	29.9856%	23,388,730
Buford	Buford	3.3984%	2,650,723
Gillsville	Gillsville	0.4998%	389,812
Clermont	Clermont	1.3993%	1,091,474
Oakwood	Oakwood	5.3974%	4,209,971
Lula	Lula	2.9986%	2,338,873
Rest Haven	Rest Haven	0.0277%	21,600
			\$44,850,000

Notwithstanding the foregoing, once the County has deposited the aggregate amount of \$312,000,000 (Three Hundred Twelve Million Dollars) (the total estimated cost of the Major Projects) into the account for the payment of the cost of the Major Projects, the County shall make no further deposits of Transportation Special Purpose Local Option Sales and Use Tax proceeds into such account for Major Projects. As among the Major Projects, the County, or the applicable specifically designated Municipality, may allocate excess proceeds not needed for a particular Major Project, once satisfactorily completed, to one or more other Major Projects as determined by the County, or with regard to Major Projects to be administered by a specifically designated Municipality, the specifically designated Municipality may allocate excess proceeds for such Major Project administered by such Municipality to other Major Projects administered by such Municipality or to Major Projects administered by the County. If the final, actual aggregate cost of the Major Projects is less than \$312,000,000, any excess proceeds designated for Major Projects shall be disbursed in the same manner as the remaining Transportation Special Purpose Local Option Sales and Use Tax proceeds are to be disbursed as set forth in the table above.

Proceeds over and above the amount estimated to be received pursuant to this Referendum shall be allocated in accordance with the table above and shall be used solely for the Purposes listed herein. Each party shall expend its portion (determined using the percentages set forth in the table above) of proceeds from the Transportation Special Purpose Local Option Sales and Use Tax on one or more of its Projects set forth in Exhibit A of this Agreement.

- C. No Purpose or Project will be given preference in the funding and distribution process in such a way that the monthly distribution formula set forth herein is affected. Each party to this Agreement shall determine the priority or order in which its designated transportation Purposes will be fully or partially funded based upon the distribution formula set forth in this Agreement. Each party's determination of the priority or order of funding for its transportation Purposes shall be based on the extent to which a Project is ready to be initiated, the most recently updated assessment of the transportation needs of the applicable party, and practical considerations regarding the effect of the Project upon the traffic flow within the jurisdiction. The parties anticipate that Projects may be funded concurrently so as to maximize the impact of the Transportation Special Purpose Local Option Sales and Use Tax proceeds on the transportation needs of Hall County and its Municipalities.
- D. The disbursement of proceeds from the Transportation Special Purpose Local Option Sales Tax referenced in this Agreement shall account for 100 percent of the Tax proceeds.
- E. Should any Municipality cease to exist as a legal entity before all funds are distributed under this Agreement, that Municipality's share of the funds subsequent to dissolution shall be paid to the County as part of the County's share, unless an act of the Georgia General Assembly makes the defunct Municipality part of another successor Municipality. If such an act is passed, the defunct Municipality's share shall be paid to the successor Municipality in addition to all other funds to which the successor Municipality would otherwise be entitled.

Section 8. Project Monitoring, Record Keeping and Reporting, Audits.

- A. All parties to this Agreement shall promptly move forward with the acquisition and construction of the Projects in an efficient and economical manner and at a reasonable cost in conformity with all applicable laws, ordinances, rules and regulations of any governmental authority having jurisdiction over the Projects.
- B. The governing authority of the County and the governing authority of each of the Municipalities shall comply with the requirements of Official Code of Georgia Annotated § 48-8-269.5(a)(2), which requires that the governing authority of each county and the governing authority of each qualified municipality receiving any proceeds from the tax under this part to maintain a record of each and every Purpose for which the proceeds of the tax are used. A schedule shall be included in each annual audit which shows for each Purpose in the resolution calling for imposition of the tax the original estimated cost, the current estimated cost if it is not the original estimated cost, amounts expended in prior years, and amounts expended in the current year. The auditor shall verify and test expenditures sufficient to provide assurances that the schedule is fairly presented in relation to the financial statements. The auditor's report on the financial statements shall include an opinion, or disclaimer of opinion, as to whether the schedule is presented fairly in all material respects in relation to the financial statements taken as a whole. Certain information must be included in the annual audit of the County or each of the Municipalities during the term of this Agreement. The distribution and use of all Transportation Special Purpose Local Option Sales and Use Tax proceeds deposited in the County Transportation Special Purpose Local Option Sales and Use Tax Fund and each Municipal Transportation Special Purpose Local Option Sales and Use Tax Fund shall be audited annually by an independent certified public accounting firm. The County and the Municipalities agree to cooperate with the independent certified public accounting firm in any audit by providing all necessary information. Each Municipality shall provide the County with a copy of its annual audit.
- C. The governing authority of the County and the governing authority of each of the Municipalities shall comply with the requirements of Official Code of Georgia Annotated § 48-8-269.6, which requires the publication of annual reports concerning expenditures for the Purposes.
- D. The County and Municipalities agree to maintain thorough and accurate records concerning receipt of Transportation Special Purpose Local Option Sales and Use Tax proceeds and expenditures for each Project or Purpose undertaken by the County or respective Municipality as required to fulfill the terms of this Agreement.

Section 9. Completion of Projects.

- A. The County and the Municipalities acknowledge that the costs shown for each Purpose described in Exhibit A are estimated amounts.

- B. When the County or a Municipality, as applicable, confirms that all of its Projects are completed, any excess proceeds held by the confirming County or Municipality shall, for the purposes of this Agreement, be deemed excess funds and disposed of as follows: Excess Proceeds subject to this subsection shall be used solely for the purpose of reducing any indebtedness of the County or the applicable qualified Municipality within the Special District, other than indebtedness incurred pursuant to Article 5A, Part I of Official Code of Georgia Annotated Chapter 48-8 (Sections 48-8-260 et seq.). If there is no such indebtedness or if the Excess Proceeds exceed the amount of any such indebtedness, then the Excess Proceeds shall next be paid into the general fund of such County or the applicable qualified Municipality, it being the intent that any funds so paid into the general fund of such County or applicable qualified Municipality be used for the purpose of reducing ad valorem taxes according to Official Code of Georgia Annotated § 48-8-269.5(f)(2).

Section 10. Project Management.

The County, or the applicable Municipality for municipal projects to be administered by such Municipality, may contract for Project Management regarding its Major Projects, and Project Management shall be funded from Transportation Special Purpose Local Option Sales and Use Tax proceeds. Project Management shall be performed by one or more persons or entities, and the Project Management function shall work out of the Gainesville-Hall Metropolitan Planning Organization (hereinafter “MPO”) office structure. The total annual compensation for the Project Management function described in this paragraph, including wages and benefits, if applicable, shall not exceed \$300,000 (Three Hundred Thousand Dollars). Municipalities may request that the Project Management function described in this paragraph be used for certain Municipal Projects which are not designated as Major Projects. In such event, the Municipality shall contract with the Project Management person or entity described in this paragraph for the specific services to be performed.

Section 11. Delegation of Certain Authority.

Hall County hereby delegates to its Chairman of the Board of Commissioners, and each Municipality hereby delegates to its Chief Elected Official, the authority to perform any and all acts necessary to effectuate this Agreement, including the authority to execute any documents necessary to effectuate this Agreement.

Section 12. Citizen Review Committee.

- A. The County and Municipalities agree that the members of the Citizen Review Committee, which is reviewing expenditures for SPLOST VII and SPLOST VIII Projects, shall also review the Projects and Purposes set forth in this Agreement.
- B. The Citizen Review Committee will represent the interests of the citizens of the County and its Municipalities and shall receive and review periodic status reports concerning all Projects and Purposes to be funded from the net proceeds of the Transportation Special Purpose Local Option Sales and Use Tax Program. The Committee shall review Transportation Special Purpose Local Option Sales and Use Tax Projects and Purposes of

the County and Municipalities and shall invite the necessary staff, division directors, department heads, administrators, and appropriate third parties to provide Project and Purpose updates to the Committee.

- C. The mission of the Citizen Review Committee is to ensure all Hall County and Municipal Transportation Special Purpose Local Option Sales and Use Tax Program Purposes will be reported and executed in an efficient, transparent, and fully accountable manner in keeping with the Purposes of the overall Transportation Special Purpose Local Option Sales and Use Tax Program.
- D. Hall County will provide appropriate staff, technical advisors, and meeting facilities to support the Committee's activities.
- E. The County Administrator and City Managers or designee(s), as applicable, of the County and Municipalities to this Agreement shall appoint any successor members of the Committee based on the following methodology:
 - 1. The Citizen Review Committee is comprised of nine members, five members appointed by the County Administrator; two members appointed by the City Manager of the City of Gainesville; one member appointed by a majority of the City Managers or designees of Buford, Braselton, Flowery Branch, Oakwood, and Rest Haven; and one member appointed by a majority of the City Managers or designees of Clermont, Gillsville, and Lula.
 - 2. Each member shall serve a four (4) year term. Each committee member selected to serve shall be appointed, or reappointed, every four years by the County and Municipality officials.
 - 3. No individual who holds state, county, or city elected office shall be eligible to serve as a member of the Citizen Review Committee during the term of such elected office, and the position of any member shall be deemed vacant upon such member qualifying as a candidate for elected public office. A member may be removed from the Citizen Review Committee with cause by the appointing official(s). Vacancies which may occur on the Committee shall be filled for the remainder of the unexpired term in the same manner as original appointments.
 - 4. Citizen Review Committee members are expected to serve with integrity and shall adhere to the highest ethical standards. Members who miss two consecutive meetings without reasonable cause or whose annual attendance drops below 50% shall be deemed to have vacated their seat on the Committee.

Section 13. Default.

The failure of any party to perform its obligations under this Agreement shall constitute an event of default.

Section 14. Liability for Noncompliance.

The County and the Municipalities shall comply with all applicable local, state, and federal statutes, ordinances, rules and regulations. If any Municipality fails to comply with the requirements of the Act (Official Code of Georgia Annotated § 48- 8-260 et seq.), the County shall not be held liable for such noncompliance. No consent or waiver, express or implied, by any party to this Agreement, to any breach of any covenant, condition or duty of another party shall be construed as a consent to, or waiver of, any future breach of the same.

Section 15. Counterparts.

This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

Section 16. Governing Law.

This Agreement and all transactions contemplated hereby shall be governed by, and construed and enforced in accordance with, the laws of the State of Georgia.

Section 17. Severability.

Should any provision of this Agreement or application thereof to any person or circumstance be held invalid or unenforceable, the remainder of this Agreement or the application of such provision to any person or circumstance, other than those to which it is held invalid or unenforceable, shall not be affected thereby, and each provision of this Agreement shall be valid and enforceable to the full extent permitted by law.

Section 18. Entire Agreement.

This Agreement embodies and sets forth all the provisions and understandings between the Parties relative to the Purposes and Projects. There are no provisions, agreements, understandings, representations, or inducements, either oral or written, between the Parties other than those hereinabove set forth. Any and all prior provisions, agreements, contracts, or understandings, either oral or written, between the Parties relative to the Purposes and Projects are hereby rescinded and superseded by this Agreement. This Agreement specifically supersedes the prior TSPLOST Agreement entered into by most of the Parties to this Agreement during 2023.

Section 19. Amendments.

This Agreement shall not be amended or modified except by agreement in writing executed by the governing authorities of the County and all of the Municipalities.
