**WHEREAS** the Contractor represents that it complies with the State of Georgia requirements for corporations and has signified a willingness to provide Services to the County and the County has relied on such representation; and,

**ARTICLE #105 – CONTRACT TERM**

This is a multi-year contract for five (5) years, with one (1) initial year followed by four (4) one-year renewal options. Renewals are not automatically renewed nor guaranteed. Renewals must be mutually executed each year on the anniversary of the execution date.

**ARTICLE #106 – CONTRACT AMENDMENTS AND MODIFICATION**

This Contract may only be modified, amended, or changed in writing and fully executed by both Parties hereto. This Contract constitutes the sole and entire Contract and understanding between the Parties as to the subject matter hereof, and no verbal promises have been made by either Party in relation hereto.

**ARTICLE #107 – REMEDIES AND CONTRACT PERFORMANCE**

In the event that either Party to this Contract breaches this Contract, including failure to meet the timetables set forth herein, the non-breaching Party shall provide a written Notice-to-Cure to the breaching Party which describes the breach of this Contract. The breaching Party shall have thirty (30) days from the date of receipt of the written Notice-to-Cure the breach or to otherwise negotiate a resolution of the breach.

If the breach has not been cured and the Parties hereto have not resolved the issue described in the Notice-to-Cure by thirty (30) days after receipt of the letter, the Party authoring the letter shall be entitled to seek any and all remedies allowed by Georgia law, including damages, equitable relief, declaratory relief, specific performance, and/or relief as to any bonds issued hereon. Additional provisions are:

- A. **Delay or Impossibility of Performance.** Any failure or delay must be beyond the reasonable control of and without the fault or negligence of the Contractor. If the Services to be provided to the County are interrupted by a force majeure event, as defined below, the County will be entitled to an equitable adjustment to the fees and other payments due to the Contractor under this Contract. If delay results from a subcontractor's negligent conduct or failure to perform, the Contractor shall not be excused from compliance with the terms and obligations of the Contract.

Neither Party shall be held liable or responsible to the other Party nor be deemed to have defaulted under or breached this Contract for failure or delay in fulfilling or performing any obligation under this Contract when such failure or delay is caused by or results from causes beyond the reasonable control of the affected Party including, but not limited to, fire, floods, embargoes, acts of war, civil unrest, insurrections, riots, strikes, lockouts or other labor disturbances, or acts of God; provided, however, that the Party so affected shall use reasonable commercial efforts to avoid or remove such causes of nonperformance, and shall continue performance hereunder with reasonable dispatch whenever such causes are removed. Either Party shall provide the other Party with prompt written notice of any delay or failure to perform that occurs by reason of force majeure.

**Definition:** The term "force majeure" as defined in Black's Law Dictionary is "an event or effect that can be neither anticipated nor controlled. It is a contractual provision allocating the risk of loss if performance becomes impossible or impracticable, especially as a result of an event that the Parties could not have anticipated or controlled."

- B. **Obligations Beyond Contract Term.** The Contract shall remain in full force and effect to the end of the specified term or until terminated or canceled pursuant to *ARTICLE #108 – TERMINATION PROVISIONS*.

- C. **Transition Cooperation With the County and Cooperation With Other Contractors.** Contractor agrees that upon termination of this Contract for any reason, it shall provide sufficient efforts and reasonable cooperation and assistance to the County to ensure an orderly and efficient transition to the County or an alternative Contractor. Further, if the County has entered into or enters into contracts with other Contractors related to the Services, Contractor agrees to cooperate fully with other such Contractors. Contractor shall not engage in any act that will interfere with the performance of work by any other Contractor(s).

**ARTICLE #108 – TERMINATION PROVISIONS**

The County may terminate this Contract by providing sixty (60) days written notice to the Contractor at any time. Should the County terminate this Contract prior to the date of automatic termination, Contractor shall provide the County with all deliverables up to the date of termination thirty (30) days after the Notice to Terminate is issued. The County shall pay the Contractor for all work properly performed in compliance with the terms of this Contract up to the date of termination.

- A. **Termination for Convenience.** Following sixty (60) days' written notice, the County may terminate the Contract in whole or in part for any reason without the payment of any penalty or incurring any further obligation to the Contractor.
- B. **Termination for Cause.** The occurrence of any of the following events shall constitute cause for the County to declare the Contractor in default of its obligations under the Contract:
1. The Contractor fails to deliver or has delivered nonconforming Services or fails to perform, to the County's satisfaction, any material requirement of the Contract or is in violation of a material provision of the Contract including, but without limitation, the expressed warranties made by the Contractor.
  2. The County determines that Contractor's unsatisfactory performance substantially endangers completion or that default is likely to occur.
  3. The Contractor fails to make substantial and timely progress toward performance of the Contract.
  4. The Contractor becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Contractor terminates or suspends its business; or the County reasonably believes that the Contractor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law.
  5. The Contractor has failed to comply with applicable federal, state, and local laws, rules, County ordinances, regulations, and orders when performing within the scope of the Contract.
  6. The Contractor has engaged in conduct that has or may expose the County or the State to liability, as determined in the County's sole discretion; or a material breach of the terms of the Contract by County upon County's failure to cure such material breach after written notice thereof has been delivered in accordance with *ARTICLE #108.C* below constitutes cause for the Contractor to declare that the County is in default of its obligations under the Contract.
- C. **Notice of Default.** If either Party causes any of the default events set out in *ARTICLE #108 – TERMINATION PROVISIONS*, then either Party shall issue a written Notice of Default to the Party that causes one (1) or more of the default events requesting that the breach or noncompliance be remedied within the period of time specified in the Notice of Default. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the non-breaching Party may:
1. Immediately terminate the Contract for default without additional written notice; and/or,

2. In the event of a breach by the Contractor, the County may procure substitute Services from another source and charge the difference between the Contract and the substitute Contract to the defaulting Contractor; and/or,
  3. Enforce the terms and conditions of the Contract and seek any legal or equitable remedies.
- D. **Termination Due to Non-Availability of Funds.** This Contract will terminate immediately and absolutely if the County determines that adequate funds are de-appropriated such that the County cannot fulfill its obligations under the Contract, such determination being at the County's sole discretion and conclusive. County agrees to provide prompt written notice to Contractor in the event of any de-appropriation.
- E. **Termination due to Failure of Contractor to Act.** The County may terminate the Contract for any of the following reasons effective immediately without advance notice:
1. If the Contractor must be certified or licensed as a condition precedent to providing the Services, the revocation, suspension, or other loss of such license or certification may result in immediate termination of the Contract effective as of the date on which the license or certification is no longer in effect.
  2. The County determines that the actions, or failure to act, of the Contractor, its agents, employees, or subcontractors have caused, or reasonably could cause, life, health, or safety to be jeopardized.
  3. The Contractor furnished any statement, representation, or certification in connection with the Contract or the bidding process, which is materially false, deceptive, criminal, or maliciously incorrect.
  4. Failure of the Contractor to obtain, provide, maintain, and deliver the performance and payment bonds (if required) when required under this Contract, or failure to comply with any requirement pertaining to the appropriate amounts thereof as set forth in ARTICLE #123 – PERFORMANCE AND PAYMENT BONDS.
- F. **Payment Limitation in Event of Termination.** In the event of termination of the Contract for any reason by County, the County shall pay only those amounts, if any, due and owing to the Contractor for Services actually received and accepted by the County up to and including the date of termination of the Contract and for which the County is obligated to pay pursuant to the Contract.
- G. **Contractor's Termination Duties.** Upon receipt of a Notice of Termination, the Contractor shall:
1. Cease work under the Contract and take all necessary or appropriate steps to limit disbursements and minimize costs and furnish a report within thirty (30) days of the date of Notice of Termination describing the status of all work under the Contract including, without limitation, results accomplished, conclusions resulting therefrom, and any other matters the County may require.
  2. Immediately cease use and return to the County any personal property or materials, whether tangible or intangible, provided by the County to the Contractor.
  3. Comply with the County's instructions for the timely transfer of any active files and work product produced by the Contractor under the Contract.
  4. Cooperate in good faith with the County, its employees, agents, and Contractors during the transition period between the Notification of Termination and the substitution of any replacement Contractor.
  5. Contractor is to immediately return any payments made by the County for goods and services that were not delivered by the Contractor.
- H. **Liquidated Damages - Reserved**

**ARTICLE #109 – NO DEFENSE OR INDEMNIFICATION BY COUNTY**

**ARTICLE #110 – ASSIGNMENT AND DELEGATION BY CONTRACTOR**

The Contractor shall not assign or delegate this Contract, or any performance required by it, in whole or in part, without the prior expressed written consent of the County.

**ARTICLE #111 – USE OF THIRD PARTIES (SUBCONTRACTORS)**

This Contract is for the benefit of the Parties hereto only and is not intended to benefit any third party or give rise to any duty or causes of action for any third party. All restrictions, obligations, and responsibilities of the Contractor under the Contract shall also apply to third parties such as subcontractors, if allowed in writing by the County. Any Contract with a subcontractor must also preserve the rights of the County.

**ARTICLE #112 – ENTIRE CONTRACT**

No written or oral statements, agreements, or understandings that are not set out, referenced, or specifically incorporated in this Contract shall in any way be binding or of effect between the Parties.

**ARTICLE #113 – SEVERABILITY**

If any paragraph, sub-paragraph, sentence, clause, phrase, or portion of this Contract is declared invalid or unconstitutional by any Court of competent jurisdiction or if the provisions of any part of this Contract as applied to any particular situation or set of circumstances shall be declared invalid or unconstitutional, such invalidity shall not be construed to affect the remaining portions of this Contract not so held to be invalid or the application of this Contract to other circumstances not so held to be invalid.

**ARTICLE #114 – RECORDS**

- A. **Public Records Request.** The Georgia Open Records Act, as provided in O.C.G.A. § 50-18-70 et seq, requires procurement records and all other records received by or prepared or maintained on behalf of the County shall be made open to public inspection unless otherwise provided by law.
- B. **Record Retention and Access.** The Contractor shall maintain books, records, and documents in accordance with generally accepted accounting principles and procedures and which sufficiently and properly document and calculate all charges billed to the County throughout the term of the Contract for a period of at least five (5) years following the date of final payment or completion of any required audit, whichever is later. **ARTICLE #115 – ADDITIONAL TERMS**

The County shall not be bound by any terms and conditions included in any Contractor's sales-orders, literature, packaging, invoice, catalog, brochure, technical data sheet, on-line

representation, warranties or service level agreement, or other document which attempts to impose any condition in variance with or in addition to the terms and conditions contained herein.

**ARTICLE #116 – WAIVER**

The failure of any Party hereto to seek a remedy for any alleged breach of this Contract shall not constitute a waiver of any claim, cause of action, or remedy allowed by Georgia law for breach thereof.

**ARTICLE #117 – CONTRACTOR AND COUNTY RIGHTS AND OBLIGATIONS**

- A. The County has the right at any time to require the Contractor to put an immediate stop to any procedure, or the use of any equipment, chemical, material, personnel, etc. considered by the County to be hazardous or toxic to persons, buildings, or surfaces. #### **ARTICLE #128 – ORDER OF PRECEDENCE**

In the event of any inconsistency, ambiguity, or conflict among the specific provisions of the Contract and the Contractor's response, the order of precedence shall be as follows:

1. Any amendments to the Contract, including all exhibits thereto.
2. The Contract itself, including all exhibits thereto.
3. Attachments appended to the Contract.
4. All other Contract attachments appended to the Contract.

#### **ARTICLE #129 – CONTRACT EXHIBITS AND ATTACHMENTS**

The Parties mutually acknowledge that all exhibits and attachments listed below made a part of this Contract, as though expressly written in the solicitation documents and the Bidder's response, are herein incorporated into this Contract by reference.

#### **ARTICLE #130 – SALES TAX EXEMPTION STATUS**

The County is exempt from Georgia State and Local Sales and Use Tax on the Services. The Contractor may request a copy of the County's Georgia Sales and Use Tax Exemption Certificate.

#### **ARTICLE #131 – HOLD HARMLESS AGREEMENT**

The successful respondent hereby agrees to indemnify, hold free and harmless Hall County Government, County Commissioners, its agents, servants, employees, officers, directors, elected officials, or any other person(s) against any loss or expense. This includes attorney fees because **of any liability imposed by law upon the County, except in cases of the County's sole negligence**, sustained by any person(s) on account of bodily injury or property damage arising out of or in the consequence of this Contract. 

#### **ARTICLE #132 – NOT A JOINT VENTURE**

The County shall not be bound by any terms and conditions included in any Contractor packaging, invoice, catalog, brochure, technical data sheet, on-line representation, warranties or service level agreement, or other document which attempts to impose any condition in variance with or in the addition to the terms and conditions contained herein.

#### **ARTICLE #133 – CONTRACT TERMS AND CONDITIONS**

1. All purchases must comply with the Official Code of Hall County Sections 3.10.010 – 3.10.190.
2. If any conflict or ambiguity arises between the terms and conditions herein and the Official Code of Hall County, the latter will govern.

3. The terms and conditions set forth herein shall supersede and govern over all Contractor's terms and conditions or service level agreements.
4. The County retains the right to "red line" sections of the Contractor's terms and conditions if such are in conflict with the best interest of the County.
5. Acceptance of a Purchase Order ("PO") and delivery of goods or services serves as the Supplier's full and complete acceptance of the County's terms and conditions.
6. The terms "supplier", "vendor", "bidder", "offeror", "Contractor", "designer", "distributor", "dealer" or "manufacturer" or otherwise purveyor or source of supply or performance of service shall mean one and the same, herein denoted as "supplier" for goods and "contractor" for services.
7. The terms "goods", "materials", "commodities", "components", "drawings", "drafts", "renderings", "plans" (physical or digital), software, SaaS, capital asset equipment, vehicles, heavy earth-moving or other equipment (purchased or leased), or other such deliverables are herein denoted as "goods" and shall mean one and the same.
8. "Services" shall mean all services, either financial, advisory, consultative, labor, staff augmentation, construction, rehabilitation, restoration, repair, support or maintenance, communication, telephony, internet, TV or streaming, pest control, grounds maintenance, custodial and janitorial, street or paved surfaces cleaning, drain cleaning, or otherwise where services are offered for consideration.
9. The Supplier shall transfer and deliver all goods or services described on the respective PO for the consideration set forth herein.
10. The Supplier shall only deliver goods and services as described on the respective PO and within the Scope of Work and the Supplier's bid response.
11. The County holds no obligation to pay for goods delivered or services rendered unless specified on a written PO or a Change Order of such.
12. The Supplier shall not construe any verbal consent to purchase goods or services as valid.
13. The County does not accept substitutions of services or goods that do not comply with the Scope of Work or specifications set forth in the PO, Contract, or Agreement, unless mutually agreed in writing by both Parties.
14. The County does not accept automatic contract renewals except for monthly subscription services.
15. The County does not pay deposits towards goods ordered. Exceptions exist for custom made items such as window treatments, floor coverings, pre-mixed paints and stains, fabrication, decoration, or otherwise custom designed products specifically for the County.
16. The County will accept backorders only if goods are out of stock and with prior written notice. Suppliers shall ship all quantities that it has in stock and hold orders for backorders.
17. The County participates in cooperative purchasing agreements, State of Georgia Statewide Contracts, and other state and local intergovernmental agreements, memoranda of understanding and other such agreements.
18. In all cases, the jurisdiction shall be the State of Georgia, County of Hall, for arbitration or other legalities.
19. Deliveries go to the ship-to addresses listed on the PO and within the time specified. The Supplier must follow instructions if multiple ship-to addresses exist on the PO.
20. The County shall have the right to inspect all goods or services at the time and place of delivery. The risk of loss of goods shall pass to the County upon completion and final acceptance of the project delivery.
21. Title to the goods shall remain with the Supplier until acceptance by the County. Receipt of goods or services does not constitute acceptance.
22. The Supplier warrants that goods are merchantable, and the Supplier has a legal right to deliver the goods and services and as described herein.

23. Contractor agrees not to assign, in full or in part, this Contract to another party without the County's expressed written consent. Any attempted assignment or delegation shall void and make ineffectual this Contract for all intents and purposes.
24. The County is exempt from Federal Excise Tax and Georgia Sales and Use Tax.
25. This issuance of a PO shall not violate the Code of Ethics and Conflicts of Interest for Public Officers and Employees for Government Service set forth in the 2020 Section 45-1020 *et seq.* of the Official Code of Georgia Annotated and the Official Code of Hall County Section 3.10.070 governing Ethics.
26. All goods and services supplied pursuant to a PO shall, unless otherwise stated, conform exactly to all the descriptions, specifications, exhibits, and attachments contained in the bid solicitation upon which a PO is based, and all the terms, conditions, and specifications of the bid solicitation are incorporated herein by reference and made a part hereof.
27. All media production, recordings, videos, photography, artwork, plates, engravings, and other printed or digital media materials paid for in full by the County are considered County property and shall be delivered to the County upon request.
28. If a PO has an attached Contract or Agreement, the terms and conditions of the latter shall govern in the event of any conflict with these terms and conditions.
29. The Supplier may be suspended, terminated, or debarred if it is determined that the Supplier has made false certification(s) or has violated such certification(s) by failure to carry out the requirements herein. Thus, the Supplier certifies that it and its subcontractors have not been debarred, suspended, or declared ineligible by any agency of the County, State of Georgia, or as defined in the Federal Acquisition Regulation (FAR) 48 C.F.R. Ch. 1 Subpart 9.4.
30. The Supplier certifies that it is not currently engaged in an active or pending lawsuit or other grievance, injunction, or levy against the County.
31. Goods are Free-On-Board (F.O.B.) destination and freight. Shipping and delivery shall be pre-paid and added to the invoice as a separate line item. The Supplier shall charge the County the exact amount of freight, delivery, handling, and insurance charges the Supplier incurs.
32. The County does not pay late fees nor interest charges.
33. The County is not bound to any minimum or maximum quantity or dollar amount set by the Supplier.
34. In the event there is a discrepancy between the unit price and extended price, the unit price shall govern.
