 - (a) Complaints shall result in a notice of the complaint being directed to the local contact person designated in the business license. The local contact person shall be responsible for contacting the responsible person to correct the problem within one hour. This local contact person is required to visit the property to confirm compliance with this chapter, unless compliance can reasonably be confirmed without visiting the property.
 - (b) If non-compliance with provisions of this section occurs, the business license department or officer of the county shall conduct an investigation whenever there is reason to believe that an owner and/or local contact person has failed to comply with the provisions of this chapter. The investigation may include an inspection of the premises, review of law enforcement/security reports, online searches, citations, or neighbor documentation consisting of photos, sound recordings and video all of which may constitute evidence of a violation. Should the investigation support a finding that a violation occurred, the business license department or designee shall issue written notice of the violation and intention to impose a penalty and/or revoke the business license. The written notice may be served either by first class mail, by commercial overnight delivery, by personal service on the owner and/or local contact person, or by any other reasonable means of delivery, including email, and shall specify the facts which, in the opinion of the business license department, constitute grounds for imposition of the penalties and/or revocation, and specify that the penalties will be imposed and/or that the business license will be revoked 15 calendar days from the date of the notice unless the owner and/or local contact person files with the business license department a request for an appeal hearing before the board of commissioners. In considering such appeal, the board of commissioners shall determine whether the business license department has erred in his/her interpretation and/or enforcement of this chapter.
 - (c) The business license department or officer of the county is hereby authorized and directed to establish such procedures, as specified in title 5 of this Code, which may from time to time be required to carry out the purpose and intent of this chapter. The county marshal and/or the county sheriff or his or her designee shall also have authority to enforce this chapter.
