Good Morning,

I am writing in opposition to the proposed housing development on JM Turk Rd. My wife and three kids just moved close to that area from Gwinnett county due to the rapid development and increased traffic within Lawrenceville. We moved to Flowery Branch because it is quiet with much more reasonable traffic.

High density housing that is proposed off JM Turk will negatively impact the area around this development and will lead to folks moving out of Hall county and into Barrow county. The Hall county Planning Commission already voted against this 4-1. Please consider what neighbors and local officials have voted and asked for and deny the application on JM Turk.

Thank you for considering.
