Re: Water Availability
Retail and Boat Storage Facility
6250 Lanier Islands Pkwy
PIN: 07330 001006B

Mr. Johnson,

The purpose of this letter is to confirm the availability of water service to the above referenced property. The City of Gainesville owns and operates an existing 8-inch DIP water main in the right-of-way of Lanier Islands Parkway and New Bethany Church Road along the frontages of the subject property.

Currently, the City has adequate domestic water capacity to serve your proposed retail and boat storage facility.

This confirmation of water availability is good for one year from the date of this letter at which time, it will become null and void unless engineered plans have been submitted for issuance of a development permit.

Please call me at (770) 538-2452 should you have any questions.

Sincerely,

Nick Swafford
Permitting Services Manager
