RE: **Rezone Application**

Dear Steven P. Gilliam:

Please be advised that in its Voting Meeting on July 11, 2024, the Hall County Board of Commissioners voted to approve the following application with conditions.

**5079 Old Winder Highway | Rezone | from Residential I (R-I) to Planned Residential Development (PRD) | on a 20.02± acre tract located on the east side of Old Winder Highway, approximately 1,496 feet from its intersection with Daylily Drive | Zoned R-I; Tax Parcel 15038 000059 | Proposed Use: 105-unit townhome development | Commission District 1 | Steven P. Gilliam, applicant**

Conditions:

Conditions:

1. The property shall be developed in accordance with the site plan dated July 10, 2024, and as described in the project narrative submitted on July 10, 2024, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval.
2. The development shall be limited to 82 townhome units.
3. The minimum heated floor area (HFA) of each residential unit shall be 1,800 square feet.
4. Building elevations shall be composed of a mixture of cement siding, stone, and/or brick façade, with a minimum of brick or stone accents on the front of the homes. The balance of the home may be the same material or of fiber-cement material. Vinyl siding is prohibited. Final review and approval of building elevations is subject to the Assistant Director of Planning and Development, or their designee.
5. All units shall be designed with a two-car garage. Garage doors shall constitute no more than 70 percent of the width of the individual townhouse unit.
6. All residential driveways shall measure no less than 22 feet from the edge of right of way.
7. Garage door width shall not exceed 70% of the width of the front façade of the residence.
8. The development shall feature internal sidewalks no less than five (5) feet in width constructed on both sides of all internal streets.

9. The development shall be served by public sewer, with the obtainment of all required easements and other construction costs such as a lift station and force main to be the responsibility of the developer.
10. The development shall be limited to a maximum of two (2) model homes prior to approval and recording of the final plat. Model home permits may be issued prior to Final Plat recording provided that hard surface (crusher run) access is provided and fire protection (functioning hydrant) is located within 500 feet of any structure under construction. No certificate of occupancy permits shall be issued prior to Final Plat recording.
11. There shall be a mandatory Homeowners' Association (HOA).
12. All designated open space within the development shall be commonly held, and not held by any individual homeowner(s).
13. All roadways within the development shall be designed and constructed to Hall County standards and dedicated to the county for public use. Thereafter, Hall County will maintain the roads.
14. The developer shall be responsible for obtaining all of the necessary permits as well as all costs associated with the improvements recommended by the traffic impact study, such as but not limited to the construction of a left and right turn lane on state route 211 (aka Old Winder Highway).
15. All stream buffers must be fully within the Homeowners' Association (HOA) common space and shall not be included on any individual residential building lot.
16. There shall be 43 guest parking spaces provided as shown on the site plan dated July 10, 2024.
17. The cluster mailbox unit shall have no less than 5 parking spaces.
18. No variances or development exceptions are granted as part of this request that are not explicitly granted by board approval. The development shall be compliant with the Official Code of Hall County.
19. The following statement regarding the potential impacts of agricultural operations in the area shall be made a part of any plat recorded on the property: "Owners, occupants, and users of property shown on this plat are hereby informed of the impacts associated with normal farming practices which may take place on adjacent and nearby property including, but not limited to, noise, odors, dust, the operation of machinery of any kind, the storage and disposal of manure, and the application of fertilizers, herbicides, and pesticides. Therefore, owners, occupants, and users of the property shown on this plat should be prepared to expect the effects of such practices."
20. All conditions of zoning shall be made a part of any plats or construction plans created for the property.
21. Buildings shall have no more than 6 units per building. Each building shall be staggered back 4-5 feet from the front setback of adjacent buildings.

Please contact me if you have questions or if you require any additional information concerning this action of the Board.

Sincerely,

Jennifer Rivera  
Hall County Commission Clerk
