Re: Clean Eagle RNG, LLC Rezoning; 4212 Roy Parks Road Rezone from AR-IV to PID on 22.45+/- Acre Tract; Parcel Number 15024 000008

Dear Beth,

Following the Planning Commission meeting, representatives of Clean Eagle RNG, LLC (“*Applicant*”) met with the local fire department for preliminary discussions regarding the project and emergency response planning. To advance these discussions, the Applicant has proactively engaged a third-party emergency response consultant to develop a comprehensive emergency response plan. Applicant has commenced these efforts much earlier than is typical for these projects to respond to feedback received during the Planning Commission meeting. This plan is still under review and is not expected to be completed for several weeks. To ensure the County and Board of Commissioners have ample time to review the proposed emergency response plan, we respectfully request that the voting meeting of the Hall County Board of Commissioners be tabled from February 27, 2025 until March 27, 2025.

Thank you in advance for your consideration on this matter.

With cordial regards, I remain,

Sincerely,

Steven P. Gilliam
