

2023 & 2024 Refund Request- Richard Hale Account # 318891

Personal Property Account # 318891 included a 2016 Malibu Wakesetter for the 2023 and 2024 tax years. The 2016 Malibu Wakesetter was traded in during 2022 for a 2022 Mastercraft, but the owner, by his own admission, failed to report the sale. The 2022 Mastercraft was picked up from the DNR list starting with the 2023 tax year but boat the 2016 Malibu was still being taxed as well. An assessment notice that included both boats was mailed and not appealed. A refund is recommended for the 2016 Malibu for the 2023 and 2024 tax years.

Hi Rick,

Thank you for this information. Our personal property team is looking into this. I noticed in your email that you requested a 2024 refund, however the sale happened in 2022 so you may be eligible for a 2023 refund as well. Just let me know if that is something you would like for us to check into as well and we can amend your original request to include 2023 and 2024.

Thank you,

Hi, just got off the phone with a great Hall County representative who suggested I submit this email. I sold the Malibu Wakesetter boat on 9/22.2022 (actually traded it for the new Mastercraft also on my tax bill) and I assumed it would automatically be reported and removed at the county level. My mistake and apology.

With that in mind, please consider a credit or refund for charges for 2016 Malibu Wakesetter 23 LSV (registration 0931DB) for 2024 when I did not own it.

Account number is 318891 on Marine Schedule D. and Boat registration for the Malibu is 0931DB. The bill of sale is attached and it shows the trade-in at the bottom for the Malibu and purchase of the Mastercraft I still own.

thanks
