

DEC 3, 2025

Planning & Zoning Department

CB family farm and corn maze:

We are requesting to be open year-round, Sunday through Wednesday 8:00 am till 8:00 pm and Thursday through Saturday 8:00 am till 11:00 pm

We are also requesting a special use permit to be able to sell “pick your own strawberries” and various other fruits/vegetables, flowers and trees that we grow on our farm as well as from other sources.

We are also requesting for approval to build additional buildings as needed such as “kids bubble station, Skee ball, decks for a ropes course and other buildings and tents as we grow our agritourism farm.

The reason for extended hours and dates is to better serve the community with such items as easter egg hunts, strawberry season etc.
