**Subject:** Water availability 6050, 6054, 6060 Spout Springs Road

Good morning Kristie,

Please allow this email to serve as confirmation of water availability for the subject tracts. The City of Gainesville owns and operates an existing 8-inch DIP water main in the right-of-way of Spout Springs Road along the frontage of the subject properties and has sufficient domestic water capacity to serve the proposed office/warehouse project. Please let me know if you need anything further.

Thanks,
