1. The property shall be developed in accordance with the site plan dated January 16, 2025, and the project narrative dated January 17, 2025, modified as necessary for compliance with conditions herein and development standards enforced at the time of site plan approval.
2. The use shall be limited to trailer storage for a single lease tenant; any use as a commercial parking lot or intermodal facility shall be prohibited. No material or containers shall be allowed storage on the premises if not stored in an enclosed trailer or on a flatbed trailer.
3. All fencing along the entire length of Gateway Centre Parkway shall be 8 feet in height, opaque fencing of either PVC or wood and include a 10 foot planted landscape buffer. Fencing color and buffer requirements shall be approved by the Director of Planning and Zoning, or their designee prior to the land disturbance permitting process. All other fencing shall be 8 foot tall black, vinyl-coated chain-link fence unless otherwise noted on the submitted site plan dated January 16, 2025.
