Dear Beth:

Camille Viera

It is with great pleasure to write to you today on behalf of my fellow non-profit organization, Love Your Story, offering my support for their application to rezone the recently purchased property located on Thompson Bridge Road, Hall County, Georgia. It is my opinion that this project aligns perfectly with Habitat's mission of addressing housing needs. In this case, the very specific housing need of families impacted by disabilities.

- 3) How long are you estimating that construction will take for the homes?
- 4) Will your development have a neighborhood feel to it or will it look more like private residences with a shared road (almost like an easement) to the homes?
