Subject: Rezoning Request

We are asking that our house, located at 5691 Woodlin Rd, Lula GA 30554 be rezoned from AR1 to AG1 so we can build a 30' x 60' manufactured home for my aging parents, who are moving from Arizona. They are on a fixed income and due to their age need to be closer to family so my wife and I can look after them. They are currently independent and want to have their own home.

Respectfully,

Michael J. Rouse
