Subject: HZCU25-0014 McKinzey Lane Development LLC Water Availability

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good morning Kristie,

Please allow this email to serve as confirmation of water availability for the subject proposed rezoning. The City of Gainesville owns and operates an existing 8-inch DIP water main in the right-of-way of McKinzie Lane in front of the proposed lots. Gainesville is able to serve all lots with domestic water. If you have any questions or need anything further, please let me know.

Thanks,

Nick Swafford
