RE: Contract Renewal 1 ; IFB 002-45 Disposable EMS Supply Annual Contract

To whom it may concern:

Bound Tree would be like to move forward with the renewal of the above referenced contract for the renewal period of July 1, 2025, through June 30, 2026.

As part of the contract renewal, we need to amend some pricing according to the allowance of the bid parameters. No increases greater than 3%. Most items have been held flat. Also identified are discontinued items and replacements where able. As a result, we are requesting a contract amendment to adjust the contract prices.

There is no action you need to take if you accept the increases and substitutions; your contract will be amended, and you will continue to have access to the products. If you do not accept the current increases, please notify us on or before July 1, 2025, and the items will be removed from your contract.

We have attached a copy of the pricing in PDF and Excel for your ease of review. Thank you for your unwavering commitment to serving your communities and allowing us to be your trusted partner. We appreciate your partnership and your understanding of this situation. If you have any questions regarding these contract price changes, please reach out to your Bound Tree Account Manager our Contracts team by phone or email.

Sincerely,

Jim Luck
