Hi Kristie,

Sorry for the delay. Yes I can confirm water availability for this address. Please let me know if you need anything further.

Thanks,

Nick,

Happy Monday!

I am reaching out regarding an application we have for 4382 Friendship Road, submitted by Sinndar Enterprises/LJA , for a proposed commercial development. For your reference, I have attached the site plan and narrative. This project has previously received an availability letter in 2021, can you kindly confirm the current availability of water for this project?

Thank you!

Regards,
