Year two (2) of a possible five (5) year contract. Renewal FY 2026. Kesler Tire Services, Inc. and Harrison Tire have been vendors with the County for many years and are both in good standing with the County. Due to the current tariff situation the price of imported tires cannot be secured for the term of the contract period. At present, the prices with Harrison Tire are the same as last year but may change depending on supply availability and tariffs. Kesler made their price list available for FY 2026. See Attachment A. Every effort will be made by both vendors to keep the cost increase to a minimum. There are no price increases for any of the services offered or on tubes and valves from the previous year's pricing. The FY 2026 Estimated amount has been reviewed against the projected FY 2026 budget by Finance.
