To the Hall County Board of Commissioners,

I'm writing in support of Amy and Brenton Pierce, owners of The Venue at Country Place Farm. As a certified wedding coordinator with over 25 years of experience, I've had the privilege of coordinating more than 70 weddings at their venue over the years.

Throughout that time, the Pierces have been some of the most responsible and conscientious venue owners I've ever worked with. They've gone above and beyond to comply with Hall County's noise ordinances and hours-of-operation guidelines, sometimes even more diligently than I would have on my own. There have been multiple occasions where Amy or Brenton have asked me to have the DJ turn the volume down, even when the music seemed completely reasonable and within legal limits.

They are also exceptionally mindful of end times. I've often helped to usher guests out as soon as events wrap up, and in nearly every case, the venue is cleaned up and cleared out within 30-45 minutes of the scheduled end time. That kind of efficiency and respect for the rules is rare in this industry.

Amy and Brenton have created not just a beautiful place for celebrations, but a well-run, community-conscious operation.

If you have any questions or would like to discuss this matter further, please do not hesitate to reach out. My contact information is below.

Sincerely,

Beth Swenson
