Re: Additional Funding from the Amended FY 25 Budget

Dear Mr. Wright

Thank you for your recent communication regarding the \$5,000,000 in LRA funding in the Amended FY 25 budget. Hall County intends to utilize the funds as follows:

1) Full Depth Reclamation (FDR) of Cagle Road from the White Sulphur Road relocation project to SR 365 for a distance of approximately 2.80 miles. This work will also include the addition of 2' shoulders where possible. This work is directly related to and in the immediate area of the Inland Port.

Funds Requested: \$1,619,960.00

2) White Sulphur Road Phase 2 will construct an additional westbound lane for approximately 0.85 miles from the Inland Port driveway to SR 365. The project also includes the addition of dual left turns on SR 365 and 2 MSE walls to minimize ROW impacts.

Funds Requested: \$3,380,040.00

Note – the White Sulphur Road Phase 2 project cost is \$8,745,400, at this time. The fund requested total the \$5,000,000 LRA funds in the Amended FY 25 budget.

Hall County is very appreciative of your assistance and cooperation in making these projects possible.

Sincerely,

David Gibbs
Commission Chairman
Hall County Board of Commissioners
