Comment:

A sinkhole was discovered on June 25 under the road at the entrance of one of the neighborhoods in Royal Lakes Community. The sinkhole was due to a failed storm drainpipe under the road. A metal plate was quickly installed to provide a short-term solution for the area, but the repair is an urgent matter and will provide a long-term solution for safety and infrastructure. The FY 2026 Estimated amount has been reviewed against the projected FY 2026 budget by Finance.
