Director

BILL NASH, P.E.

Assistant Director

Dear Eric Brown,

In response to your request, this letter will serve as confirmation that Hall County has sufficient volume to serve Friendship Road near Friendship Circle, Flowery Branch, GA 349 lot/unit count of 69,800 GPD, (estimated average daily flow of 200 GPD/unit) at this time.

No LDP will be issued for this development and it cannot be submitted prior to one year before the anticipated Friendship Road Sewer Extension Project completion.

The availability of sewer is contingent on the proposed Friendship Road Sewer Extension being built per along the route currently proposed. The recipient of this letter agrees to Indemnify and Hold Harmless Hall County for any and all damages due to Friendship Road Sewer Extension Project delays or revisions.

Sanitary sewer capacity allocation is available on a first come, first serve basis by purchasing the sewer taps. As such, this "availability" letter does not guarantee capacity. Additionally, this letter is non-transferable. If the project design changes, this letter is void and a new "availability" letter must be obtained.

If you have any questions or need more information, please call the Hall County Public Works and Utilities Department at 770-531-6800.

Sincerely,

Bill Nash
