In 1989, the Board of Commissioner and the Chicopee Woods Area Park Commission entered into a lease agreement by which Chicopee Woods Area Park Commission leased to the County a certain portion of real property upon which an agricultural center was to be constructed and then operated and maintained by the County.

The County was to retain title to all improvements and fixtures, permanent and temporary, constructed on the leased premises.

The County did construct the Agricultural Center and has been responsible for its operation and maintenance since.

The County and Chicopee Woods Area Park Commission shortly after the execution of the agreement further agreed that it would be beneficial to the parties and the Citizens of Hall County that a youth group home be constructed on the premises leased to the County in the agreement and the Youth Group Home be maintained and operated by the County.

The County did construct the Youth Group Home on the premises leased to the County in the agreement and has been responsible for its operation and maintenance since.

Hall County Corrections are currently operating what was the Youth Group Home as Transitional Housing.

The Hall County Board of Commissioners has determined that the execution of an Intergovernmental Agreement between the County and Chicopee Woods serving to modernize the Agreement, clarify the terms and better reflect the current circumstances on the leased premises is necessary and in the best interest of the Citizens of Hall County, the County Government and Chicopee Woods.
